"Excellent Rally. Thanks"

"The chocolate brownies were KILLER!! Love 'em."

"Organization was fantastic. Should be held here yearly. Probably more volunteers needed."

Suggestion. "Movie Nite and popcorn. Old and new motorcycle movies." (eg: Rebel Without a Cause)

Well folks wasn't that a party. Yes the Rally is history but what a time we had. Many hands make light work. The legacy of John Thompson's 10 years had all of the club members and the CVMG come together for a common cause...old bike fun. As many of us will be away for the August meeting we will have a full discussion on the Rally. We made money so our discussion should be in the area of pleasant problem solving. Bring all your thoughts and good ideas to the September meeting and the 2012 Rally will even be better. Speaking of 10 years in a row, the corn Roast will be in it's 35th year all in the same place.. Pat and John Choquette's farm. Don't miss it as there will be special collectibles free to the all attendees I hope you all had a **great** summer, I know I did. Feel free to talk to at the corn Roast. Kris and I attended the knucklehead reunion in Milwaukee and then toured the new Harley museum. Then off to the National Meet in Waseon, Ohio. A visit to Joe Gardella's home (major collector of 100 year old Harley's). Then we stopped into the new Motorcyclopedia museum in New York state. Over 350 motorcycles including a collection of Indians, one model for each year 1901 to 1953. All of these stops and a 8 day cruise to Bermuda made for one of the best summers yet. It will only get better if I see you all at the corn Roast. Cheers Ross
