Volume 35 NO 1

RIDING SEASON is COMING!

President

Here is a short prez ramble..... Well Movie Night has come and gone and now it's time to start planning for the Rally. Your executive will be meeting to begin the process. During movie night we presented Siggy with a life membership and a beautiful award made by none other than Chaz. Not only was it our 35th anniversary but Siggy has been on the executive all those years. Well done "Siggy Klann the Indian Man." Hey don't miss the February meeting as our special guest will be 5 time World Speed Demon Ted Hector. Ted will talk about the trials and tribulations of racing at the Bonneville salt flats and setting 5 land speed records. If you haven't paid your dues you'll get a chance to visit with our new treasurer Greg O' Kane (everyone's favourite leprechaun). To all who showed up at Movie

night and to all those who brought treats (you know who you are) I thank you. We are also working to get old bikes to the Rolling Thunder display at the World of Wheels in cooperation with our CVMG buddies. Lots going on so don't miss the next meeting and check out the cool stuff Greg has put up on the webpage. Start charging up your batteries as we are getting close to riding. Cheers
Ross

METCALFE ANNUAL MOVIE NIGHT 2012

The 12th Annual Metcalfe Movie Night held at the end of January went off without a hitch, with some 40 attendees enjoying scrumptious finger snacks and motorcycle-related movies.

The 35th Birthday of the club was celebrated in fine style with a magnificent Birthday Cake. Another memorable celebration was the awarding to Sigg Klann of Honourable Life Membership

in recognition of his 35 years of unbroken service as Club Treasurer. Members and guests browsed around Ross M's amazing memorabilia collections of mainly motorcycle-related stuff, but also rare books and badges and you-name-it!. Projects in progress lined the floor and walls, ranging from early Indians and Harley's to a very rare Johnstone motorcycle V twin engine, said to have been manufactured by the same factory that makes the Johnstone outboard mo-

John T., Craig (his wife took picture) and David P. meet at the Las Vegas auction.

Of course over a NORTON!

About the 1928 500cc Norton Model CS1

Following the success of Norton's first ohc works racer in 1927, including Alec Bennett's Senior TT victory, a similar machine was catalogued for the following year. Unknown rider Percy Hunt won the Amateur TT in following year on a Norton CS1, setting a new TT record. The CS1 features the 490cc (79 x 100mm) engine with shaft and bevel camshaft drive penned by Norton's chief designer Walter Moore. A tidy cast alloy casing encloses drives to the three-speed Surmey Archer gearbox and the Lucas racing magneto. The Webb girder fork and frame with three-stay rear end provides sound handling for a machine with 90mph capability.

. Moore left Norton for NSU in Germany and an engine revised by incoming chief engineer Arthur Carroll and testbed operator Joe Craig was adopted by the race team in 1930. Norton's legendary run of track successes followed and the CS1 was replaced in 1932 by the Carroll-engined International, which evolved into the celebrated Norton Manx of the postwar years.

1941 Indian 4 \$45,000.

1925 HD JD w/sidecar \$29,500.

1951 Vincent Comet \$29,500

1975 NORTON Commando \$7,900.

1952 Vincent Black Shadow \$80,000.
