Dear Sponsor,

The **Antique Motorcycle Club of Manitoba** and the **Canadian Vintage Motorcycle Group** both have a club objective to encourage interest in the ownership, collection, preservation, restoration and use of vintage motorcycles, of all makes and sizes.

Our major 2018 activity is the **BISON CLASSIC MOTORCYCLE RALLY** to be held this year **June 22 - 24** in the town of Carman, Manitoba. A highlight of the rally is a Parade of vintage motorcycles through town on the Saturday morning, culminating in a Show n' Shine in King's Park. We are expecting many rare and exotic machines from Manitoba, neighbouring Provinces, and the US, and anticipate a lively interest from the general public to view the classics.

The rally is a non-profit event and as such, we would appreciate your support in the form of a door prize or gift certificate to be awarded to a participating rider. A donation board will be displayed during the rally listing your/your company's name.

The Antique Motorcycle Club of Manitoba has chosen to support the The Spina Bifida and Hydrocephalus Association of Manitoba as its primary charity.

We sincerely thank-you in anticipation of your generous support.
