PRESIDENTS NOTES

Rally time, Canada Day in Teulon and our featured lady's ride to Hunt's Roadhouse, busy times in the days ahead. In this Prez's report I will take the opportunity to tell why we are featuring women riders on the ride to Hunt's Roadhouse.

Early in 1914 the Manitoba Motorcycle Club (which is, of course, now us blended) offered a gold medal to the first motorcyclist to ride from Winnipeg to Winnipeg Beach. A few tried in the winter, thinking the roads might be passable but the snow was too deep. It wasn't until late summer that a Miss Sadie Grim decided to try for the medal. Accompanied by a gentleman friend, she slipped quietly out of town on a Sunday morning early in September. For 25 miles, she had to break gravel 8 inches deep and took several headers. From Selkirk on, the road was mostly bogs and potholes. After trying some cow paths, Miss Grim tried the railroad track, finding it bumpy but better than stumps and roots. After 4 hours of solid plugging, she walked into the Empress Hotel and registered as the first motorcyclist to make it to Winnipeg Beach that season. Unknown to her, another motorcyclist with a sidecar and passenger was trying to make it by way of Teulon but ran out of gas. Miss Grim rested and returned via Teulon, completing one of the most strenuous rides attempted to date by any Manitoba cyclist.

So if you haven't reserved a spot for the 'Run To The Road House' see Greg to confirm a spot as soon as possible. Remember, lady riders and passengers on a bike are free of charge. See you at the RALLY.

**Remember our meeting date changed to
Tuesday, June 23rd at HD Winnipeg**

Viking Chapter of the AMCA June 12-13, 2015

I was fortunate to be able to attend the Swap Meet and Show in St. Paul, MN of the Viking Chapter and acted as an assistant Judge for British Bikes. The show is well attended and seems to grow each year with twice the vendors this year and full house for bikes on display. Weather good except for showers Saturday AM.
