Minutes of Meeting April 27 2010

Total of **32 present** including three guests from the Manitoba Motorcycle Club.

It was a beautiful evening and the President allowed time for tire kicking in the parking lot before calling us to order at 7:45pm.

Tom displayed some clothing and cap samples from Variety Advertising and left pricing with **Regalia/Property Manager John** for ordering.

Librarian Mike had brought more books in boxes plus a book for raffle and some old AMCoF M cloth badges and transfers which were given away.

Treasurer Ziggy reported a total of \$3096.80 in the bank after paying out \$489.06 for the book cabinet, newsletter expenses, etc. An amount of \$619.00 was given to Ted from the last two raffles.

John T reported the **Bison Rally** arrangements on track and gave out some posters.

Chas reported the **Perimeteritis Run** on track and Tom handed out reminders.

President Ross suggested that the **Manitoba Motorcycle Club** and the Antique M/cycle Club amalgamate for the remaining period with a "Last Hurrah" for September. He further offered to see to the amalgamation if the incorporation papers were given to him.

Rene said in reply that they would need a couple of months to consider this suggestion.

A reminder about the **Swap Meet on May 15** was given.

President Ross asked for anyone willing to organize a **Run to DI Coating's** to step up.

Some rather exotic toy purchases had been made recently and we look forward to seeing an AJS 7R racer from JT, a 1929 Norton from DP and a Vincent Comet from RM in the parking lot some time this summer

Ross pointed out that the club has the authority to do appraisals for the **Vintage Plate**.

The meeting **adjourned at 8:20pm** and after Robins Doughnuts, six of the Southern Contingent rode home together. Beautiful evening, no wind, full moon, Oh how good to be alive and be a motorcyclist, until one of our number rode over a deer which had just been mangled by a Semi! Managed to stay upright thank Goodness but very indignant about all the blood and guts on his previously shiny bike!

Conquering Perimeteritis 2010

Despite dire warnings of severe thunder storms and heavy rain predictions, 28 motorcycles made it to Morden with no less than 49 hungry bikers sitting down to hamburgers, beans and salads. Obliging the sun came out while we ate. Of the 130 homemade hamburger patties made only very few were left! Some woosies left early when dark clouds threatened, missing the dessert and a good time of tall stories in what turned out later to be a perfect evening.

The meeting place in Carman worked out well with those from Portage area com-

ing in separately on Hwy13, from the Oak Bluff crowd on Hwy3, and meeting the Southern Contingent of 6 bikes already there. It was hard to tell if the writers BMW was running when all the bikes fired up (especially the Harley's!!), to leave for Morden.!

Rudy Enns gave us a conducted tour of his Harley and Ford collection at both his shop and home, with many anecdotes and facts about each historic vehicle, pointing out little-known details which made for a very interesting tour. For instance, on a 1930's Cabriolet (later called a coupe) he told us how he had searched for years to buy one which had an intact flip-out ash tray; a feature which appeared on the dash for one year only. On all the vehicles he looked at over many years the ash tray was missing. One could buy after-market ones for about \$2000-00! Some of the vehicles or motorcycles he had had to wait up to 10 years to buy, because the owners would not part with them. None of the vehicles were restored as Rudy's big theme is originality, even to the upholstery and paint work.

Another great AMC of M outing was enjoyed by those that did not look at the weather reports or just chose to ignore them!

Minutes of May Meeting 25/05/2010

On one of the windiest evenings this Spring 21 members turned out with seven stalwarts riding in on two wheels! (Plus one on three!) In the absence of the President, past President Jerry presided and called the meeting to order at 7:45pm.

Dave P handed out the Rosters for 2010 and advised any who did not get to let him know.

John T reported that arrangements for the 10th Annual Bison Rally were on track and called for volunteers to help with grass cutting etc., prior to the rally weekend. He called for a show of hands of those coming and an indication of who would be wanting T shirts.

Chas reported the "Conquering Perimeteritis" run to Morden on track and twelve members indicated that they would be coming.

A pamphlet to a "Ride In" to Cavalier ND on June 19 was distributed.

Another pamphlet for a "Ride For Dad" this Saturday 29th was also handed out.

Treasurer Ziggy reported a balance of \$3015.74 as at May 10 in the bank with more Rally subscriptions still coming in.

Regalia Manager John T has put pins and stickers in the cupboard for sale to members. Also some old iron-on patches were put in the cupboard and a few nice sew-on patches were sold out very quickly for \$5.00 each. Some members requested that some more of these sew-on patches should be ordered.

An announcement was made that after a short business June Meeting, we would proceed to Dave Pritchard's Wellington Crescent Home/ Museum (# 925) to view his amazing collection of antique Jaguar cars , motorcycles and beautifully displayed memorabilia. Coffee and donuts will be served. Don't miss this opportunity to view this unique collection, especially Dave's magnificent 1930's SS Jaguar.

Nothing further had been heard from the Manitoba Motorcycle Club.

Publisher Dave P called for nice bike pictures for the front cover of newsletters and any other good interesting motorcycle related pictures.

The usual 50/50 Draw took place.

The Mystery Part had been provided by Jim H and after circulating during the meeting was successfully identified as a # DC40 Lucas "candle lamp" or inspection lamp from an old Triumph.

The meeting closed at 8:30 PM and continued thereafter as usual at Robins Donuts.

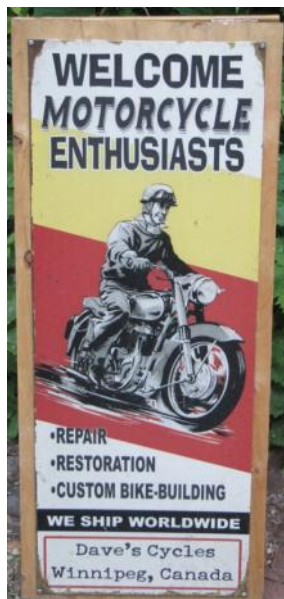

The **Eye of The Eagle** spotted the following motorcycles at the May Meeting, despite the very windy weather.

In the True Blue Park	1 Norton
	1 Triumph
	1 Vincent
In the Hog Barn	1 Harley
In the Paddy Field	1 Honda Gold Wing
The Concentration Camp	1 BMW
