Coming Events for '79

On May 27th, our 3rd annual run of the year will be held at Tom Ellison's farm in East Selkirk. Further details will be discussed at our next meeting.

On September 15th, the second annual Corn Roast will be held at John Choquette's farm, also in East Selkirk.

Report from Brian Nazarko

Members, we have a new benefactor for our club. Their name is Molson Brewery and as of this date they are giving us two trophies for our two annual runs. The trophies are for the oldest bike driven on the run. In addition to the two trophies, the club also received five cases of products for our annual corn roast. A round of applause and appreciation goes to our sales representative Don Lewis of Molson Brewery.

Make that next beer a Canadian.

Editor's Message

I received a letter from our member, Dave Archer from Regina, Saskatchewan, telling us he will be in town on Sunday May 13th until the next Saturday. Make sure that we will be around or get together somewhere when Dave Archer visits us and maybe get something going.

Cycle '79 Report

On March 9, 10, and 11 Cycle '79 presented the Dealer Show at the Winnipeg Convention Centre. I am happy to say that the Antique Motorcycle Club of Manitoba was able to put in a display with such short notice. We received the floor space free of charge, as our club is a non-profit organization. We displayed three of our finest old machines, which are;

1928 Scott Flying Squirrel owned by Bert Bentley

1953 Ariel Red Hunter owned by Jim Harrison

1958 BSA Gold Star owned by Barry Seib

We had the following display by our publicity manager, Graeme Smith: our club banner behind the bikes, an advertisement board displaying our crest, t-shirt, membership card, sample of our newsletter, and a poster of what our club is all about. We had a fellow drop by, Jack Zastre, who was drawing a pencil sketch of the old bikes which includes one in the newsletter. Our display attracted many people who wanted to see the motorcycles of the past. We even attracted a few new members. We enjoyed the show and hopefully we will have another display next year, with three different bikes.

The following members should be congratulated for their help in advertisement work, displaying of their bikes, moving, and working in the booth: Jim Bailey, Bert Bentley, Joan Choquette, Pat Choquette, Jim Harrison, Sigi Klam, Ross Metcalfe, Jim Simmons, Graeme Smith, Marguerita Smith, Barry Seib and his wife.

Swap Meet Report

A biker swap meet was held on Saturday March 31st, at the Polish Hall, 359 Burrows Avenue in Winnipeg. Graeme Smith rented two tables and any members who wished to could put up their parts for sale or buy. We displayed our club banner behind the tables where all the bikers could see it. The admission charge was 50¢ per person which was cheap. The swap meet was small but it was a beginning here in Manitoba. There was new and old parts for sale and there were even leather goods made to order. The club members did alright and hope to see more swap meets in the future.

Club Roster

I would like to remind everyone who hasn't yet filled in their club roster forms to do so now. There are over half the members who didn't complete and hand in the roster form. If you wish, you do not have to list your machines, as this is your privilege. Please mail or hand in the roster form at our next meeting on April 30th so that the roster for 1979 can be prepared for May. Thank you for your support.

Clubs, Shops, and Other Information

If you ever happen to pass through Edmonton, Alberta, stop by at the Harley Davidson Motorcycle of Edmonton Limited, 12510 82 Street and visit the "Home of Canada's Only Motorcycle Museum". The owner is Carman Brown and the admission is \$2.75 to view. There are too many machines to name ranging from 1901 FN to 1956 Matchless 500 single. It is worthwhile to visit. Thanks to Bob Hatton for the information.
