A.M.C.M. 3rd Annual Run

The A.M.C.M. 3rd annual run will be held on Sunday May 27th at Tom Ellison's farm in East Selkirk. We will meet at the Rothman's Centre parking lot at 816 St. James Street at 11:00 a.m.

Bring out the whole family or one guest for fun, games, prizes, food show and tell, etc. If you wish, bring your own liquid refreshment. Get to know your fellow members better. Have your fine old machines ready for the 3rd annual run. Even if you do not have your old bike ready yet, come out in your four-wheeler. This promises to be a lot of fun. We'll see you there.

Library News

by John Choquette

I'd like to start by thanking Jim Gold for his contribution of the large stack of old motorcycle magazines which he gave to the library. Thanks Jim!

I have ordered "The Complete Illustrated Encyclopedia of the World's Motorcycles" and "Indian Motorcycles 1912". They should both be in by next meeting.

The library has purchased "Chilton's BSA Motorcycle Repair and Tune-Up Guide" covering A, B, C, and M group models. We also now have a C. Z. Workshop Manual covering the following models:

| | | | |
|----------|-----------------|-----------------|---------------|
| Standard | 453-125 cc, | 450-175cc, | 455-250cc |
| Deluxe | 453/05- 125 cc, | 450/05-175 cc , | 455/05- 250cc |
| Sport | 473- 125 cc, | 470- 175 cc, | 475-250cc |
| Trial | 473.04- 125 cc, | 470.04- 175 cc, | 475.04- 250cc |

There is also a photocopy of Matchless Motorcycles (single cylinder) A Practical Guide covering 350cc and 500 cc models from 1945 to 1960 by F. W. Neill.

Last but not least, we have the June 1979 issue of Iron Horse, containing writeups on a 1914 Excelsior Boardtracker, the world's greatest Indian stash, 1948 Nimbus, a few pages of old motorcycle advertising, and an antique toy motorcycle collection.

Les Hardy won our raffle for the month of April. Congratulations Les!

The photocopy of Matchless motorcycles was taken from a book loaned to me by one of our members. I will ask you to bring in books, manuals, etc. which you might have and think would be helpful to other members, so that I can photocopy them and put them in the library. Your originals won't have to be loaned out and maybe become greasy and torn.

THE LIBRARY IS THERE FOR THE USE OF THE MEMBERS. I HOPE YOU WILL ALL DERIVE SOME BENEFIT FROM IT!

IF ANYONE HAS ANY SUGGESTIONS FOR BOOKS THAT THEY WOULD LIKE TO SEE IN THE LIBRARY, BRING THEM UP AT THE MEETINGS. ANY SUGGESTIONS ON ANYTHING ELSE THAT YOU FEEL MIGHT BETTER THE LIBRARY WILL ALSO BE WELCOMED.

See you at the next meeting.

Indian Day is sponsored purposely to help you to create more local interest in motorcycling! There wouldn't be much use in staging an Indian Day "open house" to show new motorcycles — unless you have new machines to show and sell.

The bigger stock you have on your floor, the better it looks to these "open house" visitors. If your stock is low — get in your orders at once. There isn't time for us to get new motorcycles to you for

the first Indian Day — But we'll do our best to get you machines for the March date or whatever later date you pick for your Indian Day!

If you have a prospect who is just "holding off" — stock a machine just like he wants — then on Indian Day — sell it to him.

More new machine orders can be taken on Indian Day than at any other time or period of time during the year.
