EDITOR'S NOTE

Our New Year has begun with lots of activities starting with The Cycle Canada Show Spring Run, Shopping Mall Show, Mid-Summer Run and our Corn Roast Run.

Also we will have our regular Donut Run and hopefully a few more. Check them out in our Event Calendar. Also check out other Vintage Motorcycle Clubs for their events and hope some of us would attend them. Let's make a good year for attendance and have lots of fun doing it.

With the Winter upon us, a lot of us are repairing, doing touch-ups or complete restoration on our Cycles, so we may have it ready for Spring. I am certainly getting my Indian on the road this year which I was putting off for a long time. How about the rest of us!

Before I finish off, Cycle Canada Show will be on and we will have a wonderful display with more bikes to show. Let's hope to see all the members attend the Show and even give us a hand. Until then, I will see you at the Show and our next Meeting.

Library Report - Rollie Cook has received the latest Classic Pike, newsletters from the A.M.C.A. and Indian Motorcycle Club and also a hardcover book "The American Racer"

### OLD BUSINESS

Tiny said "Sunny Harbour" may be available for a run provided a mutual date can be set. Ed Pauch has arranged a meeting with Ray Balen of Autopac on January 26th regarding appraisals. Ed had also been looking into insurance coverage for our Club. One Million Dollars in coverage for one year would cost us \$180.00. A motion to purchase this insurance was made by Barry Sieb, seconded by Jim Simmons, all were in favor. As this was the last meeting before the Cycle Show, Exhibitors were informed Machine setup would be on Thursday, January 17th from 10:00 a.m. to 10:00 p.m. No Machines could be moved in after this time. A party is also to be held for dealers and exhibitors at the Holiday Inn at 7:00 p.m. Thursday. It was suggested members attending the display dress accordingly to uphold the image of our Club.

### NEW BUSINESS

The dates for our runs were given:--

Spring Run -- May 15th ----- Rain Date -- May 29th  
Corn Roast -- Sept.17th ---- Rain Date -- Sept.24th

A change of scenery and a different host were also suggested. A summer run was also discussed with Island Park, Gimli and Carmen as possibilities.

The Abate Representatives gave a very informative presentation regarding Helmet Laws and Autopac. Club Members were invited to join Abate to help strengthen our motorcycling privileges. Memberships are \$10.00 per year. The first "Ride for Sight" will be held on May 10th, 1983, to fight Retinitis Pigmentosa. A motion to adjourn was made by Brian Nazarko, seconded by Dave Tissot.

A slide presentation was given by Abate on Antique Cycles.
