CALL TO ORDER

The meeting was called to order at 7:45 p.m. by President Ed Maisey.

"Float" held by Properties Manager, Ray Houde: \$ 20.00

TOTAL as at January 16, 1990: \$2465.35

Siggi was also going to prepare a statement as far as monies received and disbursed so that a more complete financial report can be provided at the next general meeting of members.

OTHER BUSINESS

After reviewing the approximate costs involved to publish and distribute the newsletter, it was recommended that the annual club dues be increased from \$15.00 to \$20.00 so that at least the club dues would cover the costs of the newsletter without having to dip into general revenues. This recommendation is to be presented to the members at the next meeting.

Tenative dates were also set for the Spring Run being Sunday May 27 and the Fall Corn Roast being Saturday September 8 and a Supper Run to be held on Sunday October 14.

Irv Lowen also suggested runs to Austin, Manitoba for the Thresherman's reunion and perhaps a road trip out to Sandilands, Manitoba. Irv will be providing further details at a later time.

It was also decided that the Thursday night runs would be changed to Tuesday in the hope that more members would be able to attend.

In order to attain a higher profile for the Club it was also felt that we should be considering looking into participation in the Antique Car Club's Polo Park show, perhaps the upcoming Bike Show and that further we should generate interest for a mall show. These matters would be discussed at the next or subsequent membership meetings.

The matter of non-antique bikes attending the runs was also discussed by the Executive and it was felt that modern motorcycles should not be prohibited but that all members should be encouraged to bring an antique bike if at all possible.

After some further general discussion the meeting adjourned at 9:30 p.m.
