

ANTIQUE MOTORCYCLE CLUB NEWSLETTER
MARCH 1991

Social Function

All paid-up members and their guests are invited to Craig Kraft's home at 621 Fleming Avenue, in East Kildonan, on Saturday, March 16, 1991. The appointed hour is 7:30 and everyone is to bring their own refreshments, mix and snacks.

Swap Meet

At our last meeting it was announced that there would be a swap meet on April 13, 1991 at Bourkville Community Club, (at the south end of Ferry Road, in St. James). Further information should be available at the next meeting.

Open House

Ed Maisey has indicated that he would be prepared to hold an open house, similar to the one that we held at John Guntner's some time in April. Again particulars will be provided at the next meeting.

Club Auction

Siggi Klann suggested that any members wishing to bring in miscellaneous items at our meetings should do so. These items would be auctioned off to the highest bidder (with only those bringing in items being able to bid). All proceeds would go to the Club. At our last meeting, a number of handlebar grips were brought in by one of the members. These were drawn for and the lucky party was Jim Harrison.

Want Ads

Jim Harrison has received a call from Bruce at 889-1582 who had the following Harley Davidson parts for sale: 2 Fishtail mufflers and some other exhaust parts; 1 sprung seat post; 2 passenger spring sets and frames for dual seat; some (3) crash bars.

John Krahn (275-1331) has for sale a H.D. Police Special speedometer; 45 H.D. ride control, Aftermarket 2 gas cap tank; WANTED by John, rear brake rod and clevis for 45 H.D. and H.D. Speedo (1:1 ratio), 45 crash bars, 45 steering damper and front shock.
