PRESIDENT'S NOTES

I have my photos of the car show display developed, so am sharing them with you in this newsletter.

Speaking of display opportunities, I have been contacted by someone from the Western Canada Aviation Museum. Corrie Byer, a representative of the museum, was given my name by Bob Collings, a local motorcyclist with whom many motorcycle enthusiasts are familiar. We thank you for the introduction Bob!

Corrie tells me she is looking for motorcycles to be used as part of a display, to be put on in the museum in March. I have already volunteered my '46 Ariel for display. I am anticipating an interest from other members to support the event and provide more machines.

Each bike will be displayed beside an aircraft of similar vintage. The display will be set up Friday, March 15, after 6:00 p.m. to run Saturday the 16th, and Sunday the 17th.

HOLIDAY MEETING WITH IRV

I am arranging a club night at the Health Sciences Centre so we can have a holiday visit with Irv Lowen. The date is Thursday, December 28th at 7:30 p.m. It's a chance to have a nice informal get together.

Minutes of AMCM meeting Nov. 25, 95

Eight of us arrived on a cold Nov. night at Woodhaven C.C. We discussed a pre Christmas meet at Irv's in the hospital..... to be arranged by President Jim.

Ed announced that he has placed a ad in The Buy and Sell and Old Car Trader.

I found a news item on John Bloor's 12 Model range on Triumph and how well he is doing. He is building a new factory, so it looks good for him. This item from "International Express."

I met a lady at the Car and Bike Show who was interested in a lapel pin. As her residence was in St. Vital, I gave her Ray's name as a contact. Besides, he is the Prop. Manager. Ray sent her a pin, and recieved a very nice thank you card from her. He read out the particulars of her collection at the meeting. She has 20 Bike Club Pins and 6000 pins in total!!!! A serious collector.

We all enjoyed coffee and do-nuts until closing time.

Bookworm is working on a suitable reward for the lucky winner in his Match up Quiz. Get to work on them and submit your efforts. Remember, you can't win, without a ticket.

Stay Tuned!!!

Merrrrrrrry Christmas and a Happppppppy New Year!!!!!!!
