TREASURER - SIGGI KLANN - 668-7679  
PROPERTY MANAGER - RAY HOUE - 253-9059

PRESIDENT'S NOTES

Well, some of us had another visit with Irv Lowen at the Health Sciences Centre. We were given the good news that Irv was being moved to Deer Lodge Centre. This was a week after our meeting of December 28. Irv is now in the section nearest Portage Avenue, on T-4 of Deer Lodge Centre.

.....

John Guntner was in town for the holidays. Nice to see you again John.

.....

I have cancelled participation in the display of vehicles at the Western Canadian Aviation to be held in March. It didn't look like many of our members could supply bikes for it this year. Maybe another time?

.....

Don't forget, 1996 dues are due; still only \$20.00 per year, cheap!

Also, this is the time for anyone who has aspirations to join the executive to put their name up.

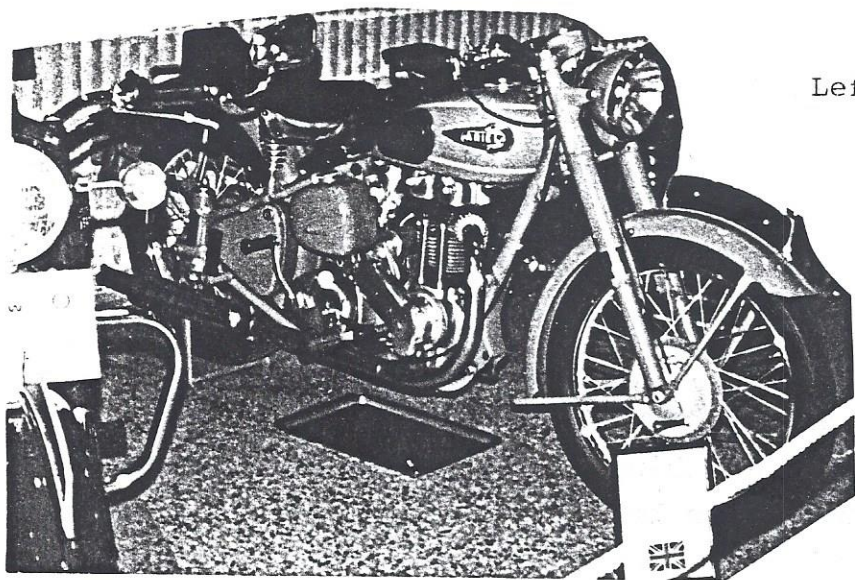

.....

Happy New Year to everyone! What's left of this century seems to be going faster and faster.

.....

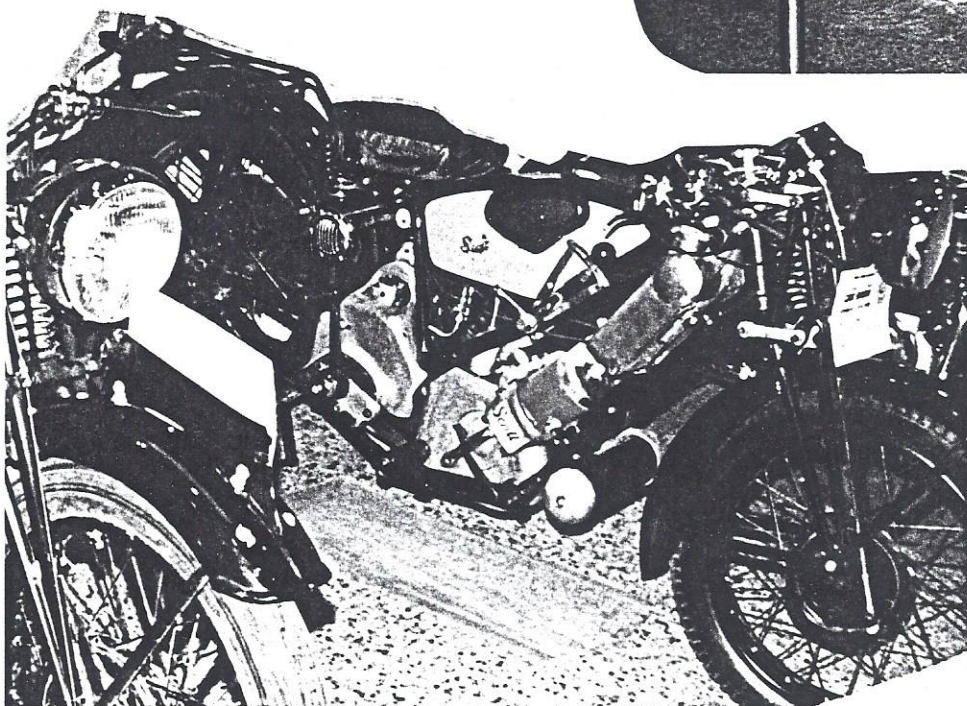

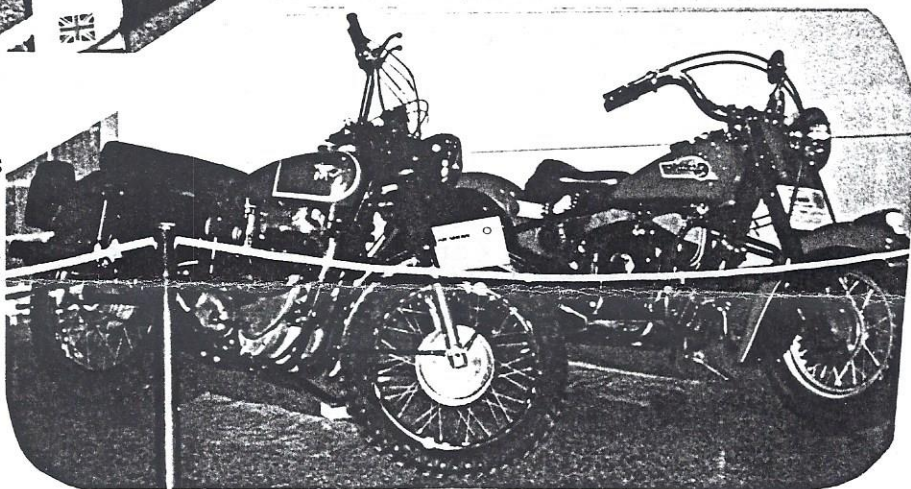

See you all at the next meeting at Woodhaven Community Club, Tuesday, January 30, 7:30 p.m.

Squirrel

Minutes of AMCM meet Dec. 28,95

The AMCM met again at H.S.C. with Irv in attendance, and in good spirits. There were nine of us that enjoyed an evening of casual chatter about our ills and life and some bike talk.

Elections are usually held in January; so if anyone wishes, we can probably accomodate new blood in the executive.

There will be two books available at library draw next month.

Something to ponder.....

The January meet of 1996 will occur 1 year short of our 20year anniversary. So..... if you have anything you might like to see happen..... Contact the Executive, or better yet, come to a meeting and we'll all discuss it. I remember a cake and treats at another anniversary. I'm sure we can repeat that next year, or even do better.

The Charter Members in 1977 were smart enough to have taken pictures and our library is in possession of them. There are bodies there with less weight and more hair in them. I wonder how that could be???      Interesting viewing.

Bookworm is arranging a suitable prize for the Match-up Quiz so stay tuned. See you next year!!! Jan. 30, 1996. at Woodhaven.
