## **President's Note**

Sad News

Ray Houde's wife, Doreen ( Ricky ), has unexpectedly passed away. Ray and Ricky were married for forty years. We, in the club, send Ray, and his family, our condolences.

Jim H.

The riding season is about done. The high point of the season, for the club, was our corn roast. Once again, the weather was sunny and warm. The corn was tender and tasty. Those who left before the chow(SPCA take note!) was served may rest assured that my consumption of food compensated for any lack of theirs.

I have typed up a new roster including machines owned by members as well as phone numbers. This will be mailed out with the next newsletter.

There was much discussion at the meeting about having an event to celebrate our 20th year. Our honourable(snickers) secretary Mike, has more about this in the minutes.

Enjoy what's left of the fall.

Jim H.

## **Editors Note**

I scanned the membership roster the Jim made up, and thought "If half of these people showed up....." Oh well.

I won't go on about that this time, as we are getting more members out, and getting some new members. Our advert in the Buy and Sell is getting some attention, and I get at least one call a month.

Hopefully the renewed interest, and the activities that are planned for next year will kickstart the club again.

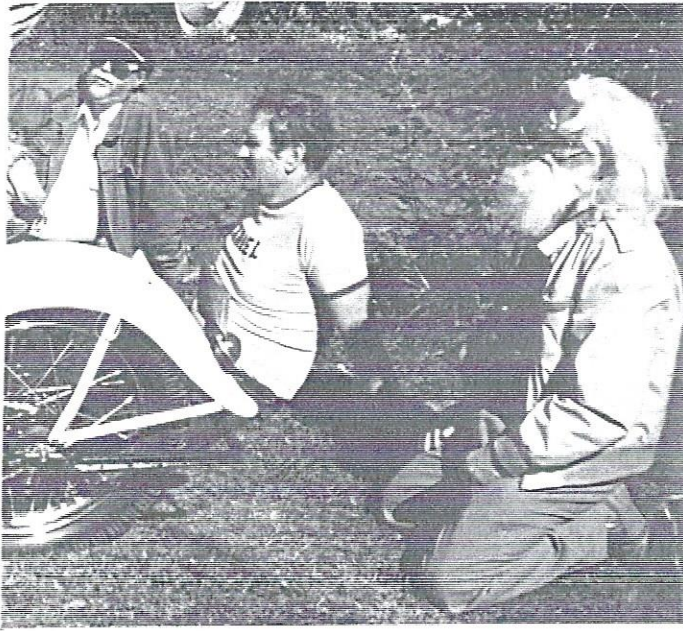

I hope to write up a technical article for each of the coming newsletters, and will cover such things as electrics, reproducing parts, etc. If you have a suggestion for the subject for these articles, let me know.

Right, Bill Watt, taking pictures.  
Bill took a lot of the photos  
of the Winnipeg Rough Riders,  
which we have in our collection,  
because he was the photographer,  
he missed out being in the pictures.  
Well Bill, here you are,  
Photographed at last!

### **AMCM Anniversary-1997**

Plans are moving ahead on the activities to mark the twentieth anniversary of the AMCM. Considerable discussion ensued at the September meeting, and a number of people have been assigned tasks to be completed and reported on at the next meeting. Preliminary reports ( and questions ) will be addressed in October, with final investigations for November. December should bring final arrangements, plans, and budgets.

What are we going to do? What are our plans? ---- COME TO THE NEXT MEETING  
AND FIND OUT- HAHAAHAHA.

#### **Note:**

One feature of the Anniversary celebration will be a **SWAP MEET**.  
Get the word out, and your surplus stuff organized. We hope to attract people from as far as the  
USA and BC to Ontario.

MINUTES OF AMCM MEETING SEPT. 24, 1996

We started the meeting off after the coffee was on and Ed actually interrupted the Bull Session for what is to follow;

He got us off to a good start by getting us down to serious discussions regarding our 20th Anniversary. Then I had to find a pen to be able to write all this down. (The only time the Secretary was unprepared.)

The events planned are for July of next year and should include a Show and Shine and Swap Meet, with a barbecue for club members when it's over.

Over the winter to come, we have to cover the pros and cons of a Liquor License, a Rain Tent, Tent, Trophies, the Advertising and getting clearance from the Woodhaven C.C.

Our Corn Roast went off well with an excellent bit of weather, Good food, Good drink, Good Sun, a good day all around. Everyone who attended was glad they did.

Next meeting October 29, 1996

(It sure feels like winter out there)
