### **President's Note**

Mike B couldn't make it to the last meeting so my notes also double as the January meeting minutes.

We had fourteen members and three guests attend. The guests were Eldon Parkinson of the MMC, Tom Rybak and Kuba Skotniczy. Tom and Kuba found out about the club from Craig Kraft. Kuba brought a large quantity of photos of motorcycling events in Poland. These were very interesting as they varied in age from recent events to pictures taken by previous generations. Kuba also had pictures of a bike he recently acquired. It may be British, but as the engine and emblems are missing, identification is proving to be a challenge.

Bert Bentley's wife Alma sent along some chocolate cup cakes. Bert turned 89 on January 20. Anyone who has a birthday and brings the treats is our kind of "birthday boy"! Congratulations to Bert and Thank You! to Alma. The cup cakes were very much enjoyed.

As to the elections, Bert Bentley moved that the present executive carry on for another year. The motion was seconded and passed. All present were in favour.

I had Siggie make out a cheque to the MMC for \$37.45 for one half of the cost of the shared post box.

Bob Collings has suggested we get together with the CVMG for a movie night at our meeting in February. Bob will supply the equipment. Bring your motorcycle video tapes out and we will see what we can view over the two hours or so.

Your Maximum Leader  
Jim H.

### **Meeting Notice**

Next meeting is at Woodhaven Community Club, 7.30 PM

Meeting date: FEBRUARY 24, 1998

Next month: MARCH 31, 1998

## **Editors Note**

Not much to add to what Jim has in his notes. The meeting was extremely interesting! Congratulations to Bert Bentley on his 89th birthday.

I attended the January MAAC meeting and finally was able to hand in our cheque. Highlights of the meeting were:

1. MAAC dues in future will be \$1 per club member, with a \$25 minimum per club. MAAC will also recommend and promote membership in NAAACCC, a National lobby group, with dues of \$1.50 per member.
  2. MPIC have circulated a list of collector vehicles to all agents. This list will likely be revised, but will be used to aid in insuring restored vehicles. We probably want to have motorcycles included on the list. I will inquire about that.
  3. The Jesse James (youth facility) Ranch near Bird's Hill is looking for assistance in fund raising. This run by Macdonald Youth Services.
  4. MAAC is preparing a HAZMAT course to certify people for auto-related hazardous materials handling (paint, etc). This has the blessing of Man. Environment! The course would be free to all MAAC members.
  5. Dept of Vehicle Licensing is moving toward a new collector car plate, with fewer restrictions, able to be moved from one vehicle to another (possibly). I will lobby to have motorcycles also included.
  6. MAAC need a list of all club OPEN activities for publishing in the activities schedule that MAAC puts out. This is required by next meeting, Feb. 25.

## **Special NOTICE#1**

T-SHIRTS are in - still some not claimed. Unclaimed by March 1 will be sold!

ALSO: We have some Anniversary posters left- these look great on the garage wall, framed in the rec room, or even for gasket material (just kidding) - If you want one or more, contact Ed Pauch at 832-0255 or the next meeting.

## **Special NOTICE#2**

### **Activities Chairman**

The club needs to organize activities to maintain membership interest. It is possible for any member to contact other members for a Sunday or evening ride. Also, suggestions from any of the membership are always welcome regarding activities or anything else. Larger events such as a show/swap meet require organization, delegation, and coordination. On the past year Ed Pauch put a lot of time and energy into organizing our show and swap meet. The efforts of the membership working as a unit resulted in a great event. This year Ed will have plenty to do between his new teaching job and coming family activity.

If we are to have another such event this summer, we have to start on it now. While I oversee the activities and operation of the club, it would be a good thing to have an activities chairman.

I would appreciate any of you who are interested in the position contacting me. My phone number is always at the top of the newsletter (837-9093) Please don't be shy with my answering machine as I work various hours.

Jim H, Prez.
