President's Note

Our July meeting was interesting in that it was the first time I can remember people all coming on motorcycles. Ed Pauch now has his SQ 4 on the road and after the meeting he, Bill Watt, Siggy and I went to Nick's for coffee.

People looking to take a longer ride are encouraged to attend the show and shine at the Morden Corn and Apple Festival on August 23rd. This is held in conjunction with the festival and is held in Morden Park, along Highway #3. The hours are 12:00 to 16:00.

There is no entry fee but there will be prizes, music, concessions. Rudy Enns of Gaslight Harley Davidson (204-822-5877) phoned me to extend to us a personal invitation. I plan to attend.

Editors Note

Not much to report or comment on. We are steadily gaining new mebers and the club is growing. Unfortunately, summer is a time when people are away and meetings are not well attended.

We need to think how we can revitalize the club, including perhaps a new executive next year. Some suggestions re the newsletter would be apreciated- (no - not those kind).

I have the Squariel on the road, and have put a few miles on it. I had to change the plugs, set the distributor and the valve lash to get it to run decently, but it seems somewhat content now. I seem to have all kinds of grief with spark plugs - what do other people encounter?

See you at the next meeting.
