## President's Note

Our membership is picking up. As of this Month we have gained four new members. We welcome: Lorenz Haalboom (BSA, Norton, Royal Enfield), James Riemer (Moto Guzzi), Jerry Stubbington (Moto Guzzi), and John Thompson (AJS, Matchless, Moto Guzzi).

The January meeting was enjoyed by all. Our Guest speaker Cal Hunt carried on a very informative discussion of paint finishes for motor vehicles.

Members, give us ideas for meetings. Bring interesting parts, stuff, people. Don't forget we're having a swap meet Feb.29th.

Jim H.

## A.M.C.M. Minutes of Jan.25, 2000

Our meeting room swelled to the large attendance of eighteen, including four guests. A good start to the new year.

Jim introduced our body shop expert Cal Hunt, and we conducted club buisiness.

Ed P. mentioned the next meeting of M.A.A.C. was tomorrow night. Our club membership fees are due for the year 2000.

The matter of club insurance being made available to M.A.A.C. members (public liab. and property damage) was discussed. Cost to be \$100 for \$1,000,000 coverage. We decided to have Jim talk to Parker Fillmore regarding this issue.

Ed reported the arrangements for snowmobilers is; M.P.I.C. supplies the plate and \$200,000 liability. Extra coverage is obtained out of province, and could the motorcycle coverage be arranged the same way? Ed is to set up a meeting with M.P.I.C. with two of our members for next week. Ed and Jim will do this.

## Treasurers Report

Ed wants the dues in by the March meeting.

## Editors Note

Well here we go, a new year, century, millennium, and a new editor. Over the next few issues I would like to change the format of the newsletter, if Canada Post and the printer costs will allow it. I will be soliciting help from the membership, if anyone has any interesting photos and or stories they would like to contribute, they would be greatly appreciated. If any of the members partners would like to make a comment or ask a question, maybe we could get them a little more invloved with the club.

Has anyone got any technical problems that the wiser of our membership may be able to help with? Is anyone looking for parts or a bike, or wants to get rid of something?

On a different note, I was wondering if the membership would be interested in a spring run, possibly mid June. I'll throw out the idea of picking a provincial park or other campground and making a weekend out of it. If we invited the C.V.M.G. , some friends, and brought our families out we could have enough people to make it enjoyable. Of course that would mean we would have to fire up that old steam locomotive and railroad, I mean, find ourselves an activity person.

I'll be looking for some input at the Feb meeting, see you there!

Welcome to Lorenz, James, Jerry, and John our new Members.

Keith F.
