Editors Note

A good but quiet meeting last month. I wish more people would come out to the meetings.

Have a bit of a late start on the newsletter, but here it is!!!

I had a call from a fellow who is promoting the events at the Red River EX grounds. These are bike racing, quad racing, motocross, mud bogs, etc. These were started last year and advertised in the paper and otherwise. They evidently did not hold any motorcycle events last year due to some zoning or licensing delays but are including these this year(about 3 or 4 events). According to the caller, the events they did hold were well received and successful.

The caller wanted to know if the AMCM would be interested in looking after the Show and Shine plus free swap meet portion of the events. Mostly telling people where to put their swap stuff, and having some older bikes parked to add to the display. They will be faxing me some more info, and are willing to come to as meeting to talk about these events. I believe this could work out well for us and require little to no major effort.

We are not especially a club of distance riders, considering the age of the members and the machines, but we do need some activities to give the club some vitamins (or is it Viagra?).

How about coming to the next meeting and let's discuss this!!

The Sq. 4 is ready to go, got new valve stem seals, valve cover gaskets and touched up the carb with help from Mike B.

MAAC Report

The meeting are now being held at the Pony Corral on Nairn.

Our club got a "by" on manning the World of Wheels booth. I gave out a bunch of Tin Lizzie show posters to be put up at businesses and at the WOW. A number of people at the meeting took posters to put up. (I have put up posters at Turck's, Riverview, GT sports.)

No great developments at the meeting, a letter has been received from the Motor Vehicle Branch regarding the collector plate. The letter is confusing as it implies the that the collector plate will not be allowed - but then says a "convenience plate " will be instituted within a year. I believe they mean the "Antique" plate will not be modified but a NEW plate will be available. MAAC is in the process of clarifying the intent of the letter.

A reminder to bring your Autopac census forms to the next AMCM club meeting.

March 30,1999 meeting of A.M.C.M.

We had 10 members present, meeting opened by Jim, who re-introduced himself to all present-just in case anyone had forgotten who he was.

Ziggy's treasury shows \$478.00 to the good. Jim has agreed to talk to Ray H. about filling the position of Property Manager again.

It was suggested we try for some advertising again in the newsletter. The rate is as before- 1 business card for 12 issues for \$30.00. Marvin C. volunteered. Thank you.

Ed P. and the MAAC News, asking to fill out the MPIC census forms and return them; for their information bank. He also asked for volunteers for Worlds of Wheels, two people for two hours to man the booth. The weather turned bad on that week-end as I remember(lots of snow)

We also would like participation in the Tin Lizzie 2nd Annual M/C Classic week-end on May 2,99. Phone Ed or Jim or Mike if you need info. This has been advertised in the Free Press this Saturday.

That's it for official bussines, the rest of the evening decayed into just "mindless motorcycle stuff", after which we adjourned to the coffee shop for more "mindless motorcycle stuff".

This has been submitted by me, as I sit here, eating popcorn, listening to some Fabulous Fifties music that I had taped earlier. So get out and enjoy the sun,Keep the sunny side up, enjoy, enjoy.....
