## Upcomming Events

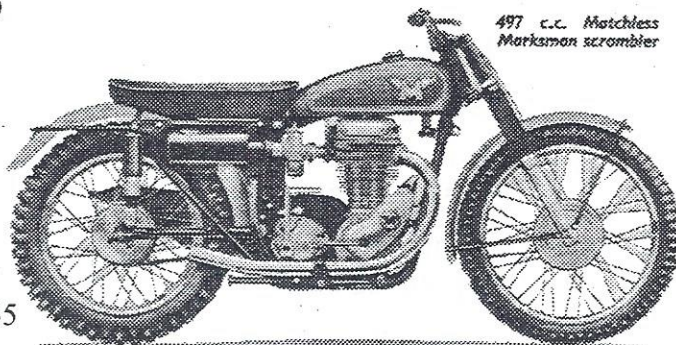

### Meeting Notice

Next meeting at Woodhaven Community Club

March 28th, 7:30 p.m.

Next month: April 25th

Community Club contact: Anne Boyd 831-1635

## President's Note

First thing: DUES ARE DUE THIS MONTH! They are still \$20.00 (CHEAP!)

We welcome another new member, Bill Spence. Bill has a Canadian Army Harley-Davidson WLC. Bill's son, Bill, was with him and is interested in finding some sort of basket case to work on. I thank all of the guests who attended, including those from the CVMG. Also, thanks to all who brought stuff for our mini swap meet. I picked up a very reasonably priced set of handle bars from Jerry Stubbington. I wanted something to cut down for the Beemer.

I have distributed new (Feb. 2000) rosters. Some were given out at the February meeting. I've since mailed the rest out. Ed Noakes pointed out that I had carried over erroneous identity of his blue bike from the previous roster. His Triumph is actually a 1962 Tiger 100, 500cc. I'm sorry about the error Ed. Everyone, please let us know if anything else needs to be corrected.

I called our community club contact, Anne Boyde to open the building for our latest meeting. She not only did that, she also has given me keys to the building. So, if I can't make a meeting, I will try to give the keys to another member before the meeting.

I asked Anne about plans to demolish the current club house and replace it with a new one. She tells me there is no date scheduled for this as the funding hasn't materialized. Our concern would be where we would meet while there wasn't a building there.

Jim H.

## **A.M.C.M. Minutes of Feb. 29, 2000**

The meeting was opened by Jim H. with 26 bodies attending.

Treasurers Report by Ed P. \$782.00

Ed also submitted a 1999 statement.

Ed reported on his MAAC meeting and has arranged for club insurance through MAAC. Cost is \$40.00 per year. The Insuring company is National Frontier Company. The collector plate is still on hold.

MPIC meeting... We have sent a letter to MAAC for support to address issues with MPIC. The meeting was enlightening, their argument was that the Insurance Act forces them to pay injury costs.

There is further research needed re; Insurance Act. Ed also suggested that further organized efforts be pursued with other clubs.

Another presenter at MAAC was "Cutting Edge Graphics", Chris Brown 668-4377 or 654-9799. This would be a source of computer generated transfers, for speedo faces, or gas tanks, etc.

Jim closed the meeting and we were able to browse the swap meet stuff brought by Bert and ED.

Mike B.

### **Editors Note**

I would like to say thanks to those who contributed to the news letter. I'm looking for photos for the front cover. If any of the members have pictuers of past or present restorations please let me know.

I'm still working on the idea of a spring run sometime in June. I haven't had the time to work on it recently though. I'll try to have some more information for the next meeting .

## This months email

I'm a somewhat low-profile member of the club, because my work keeps me from meetings and was near-invisible last year because I got neither of my bikes on the road - !@%\$# car was costing me a fortune. Anyway, I thought for next newsletter, I'd bring the members up to date on the fate of my '56 Triumph TRW :

Club members might be sorry to hear I sold my ex-army 1956 Triumph TRW sv500 — only because I needed the cash. Worse, I sold it to a guy in the U.S., on Ebay. Yet from what I can tell from his e-mails, he's thrilled with the bike and is giving it a good home and TLC in Utah. Despite my various tries at advertising and some word-of-mouth, I didn't turn up a buyer locally, or even in Canada, so this lump of motorcycle and military history went south. (I also had to part with my '66 Land Rover, but at least it's still in town, and in very good hands). I'll miss riding the thing - it was too much fun. I still have many fun memories of it - and I still have my 1980 Honda CX500, which is nearing "antique" status , and I am determined to have it on the road this season - and to be there for whatever club activities I can.

Cheers,  
Mark Perry

### Moratorium on Quebec Motorcycle Insurance Rate Increase

In Late January, the Societe de l'assurance automobile du Quebec (SAAQ) announced a one-year moratorium on an increase in motorcycle insurance rates for 2000. Since May of last year, the MMIC (Motorcycle and Moped Industry Council) has been working hard to show that an increase was not justified based on safety statistics produced by the SAAQ, themselves. In mid December representatives of the MMIC, rider organizations and dealer groups met with officials of the SAAQ. After the meeting, the MMIC and rider groups had requested a one-year moratorium to study motorcycle rider safety and insurance claim's costs in detail. The MMIC welcomes the recent announcement and has agreed to continue to be part of the roundtable to discuss motorcycle safety and insurance rates.

Excerpt from MMIC newsletter, February, 2000.

## **KNOW YOUR MLA**

( Or at least how to contact him )

We are always talking about the importance of letting your elected representative know how you feel as although we are each one voice, we are also one vote. This was perhaps exhibited best in the federal government's recent decision to reverse funding to the NHL. Following is a list of our MLAs and their contact information. We encourage you to let them know your feelings, not only with regards to motorcycle insurance rates, but any issue. They are there to work for us and if we don't tell them what we want we have no right to bitch about the result. I have also just discovered that all the MLAs have email - so for those of you that are connected, the site address is:

**[www.gov.mb.ca/leg-asmb/members.html](http://www.gov.mb.ca/leg-asmb/members.html)**

The address for the Legislative Building is:
