Club Minutes

Fourteen members and four guests showed up for the meeting. Jim opened, and we heard from Keith Freeman first., to settle the date for the Corn Roast as Sept 9/00 Saturday . We are to meet at the Salsbury House on Route 90 and Logan Ave. Departing at 1:00 p.m. He asked for game suggestions and John T. will arrange these.

Jim announced that the MMC will be having a Toy Run and poker Derby on Saturday and was asking permission to invite the MMC to our event. Agreed. Bill W. is to notify the CVMG as well.

Keith also discussed the possibility of money making at a bingo with requirements of 10 volunteers; and applications 6 to 8 months in advance. Bert B. motioned for Keith's bingo plan to proceed and was seconded by Ed P. Carried.

Our advertisers were discussed as to modifying the billing dates. Jim to check.

Treasurers report --- from Ed \$767.00

Library report --- from Mike, support Library draw; and if books are needed, I can usually bring them to meetings as required.

Jim thanked Marvin C. for his supper efforts and food at his place in Pinawa. Jim volunteered a write up to follow. Sadly I missed a good event, and was rightly admonished for not attending.

A guest speaker , Mark Revere, for the Christian M/C Assc., was requesting bikes for the "Candice Derksen Memorial Fund". He was arranging a bike show at Stoney Mountain Penitentiary on Sept. 10 for the day. Show to run from 8:30a.m. to 4:30p.m.

All then retired to the coffee shop.

Respectfully submitted by
Mike, the Bike....

Editors Note

Well here I am late again with the newsletter. I won't bore anyone with excuses, haven't heard any good new ones anyway, I'll just have to take my lumps at the meeting. I know other people must be busy too, as I have been promised different articles for the newsletter that haven't materialized either.

The Corn Roast was interesting weather wise. At our place it was pouring rain till about 11:30, and although the rain stopped, the sky didn't look too promising for a while. The day turned out nice though, as it always seems to for the Corn Roast, but I was wondering if it wouldn't be prudent to have a rain date for the future. I have to apologize to John T. for not running his course, I spent too much time talking and then the food was ready. I would like to thank Gregory for an interesting experience on a Beemer with a sidecar. It was my first time, and let's just say I'm not rushing out to put one on mine just yet.

It's been a good summer with a lot of different events to attend, good weather on our trip, and we avoided the mosquito scourge in Winnipeg. I managed to put on a few miles this summer, wore out my back tire, and it is time for a top end overhaul on the Beemer. It is sitting at 108,000 miles and is felling pretty tired this fall. The problem I have right now is I would like to do the top end on the Beemer, and my old BSA needs some TLC too! I'm not sure how the finances will hold up on both projects. We will have to see what this winter brings.

President's Note

The August meeting was well attended with reports and comments on events our members have attended this year. Did anyone get to the show and shine at Stony Mountain?

I have my pictures back from Marv Cooper's barbecue and will have something for the next newsletter. Sorry not to be more prepared for this month's issue. Marv's event was a truly hospitable occasion with great food and prizes too!

We have now also enjoyed our Corn Roast. As usual Pat and John put on good food. John T. and the Vee Three (a secret Moto Guzzi owners' society) set up quite an obstacle course. The weather looked wicked; but , as George Formby used to say, " It's Turned out nice again."

I forgot my camera but more about this event soon.

Jim H.
