Club Minutes

On a cold and dark night, we, the undaunted, converged at the Pizza Hut for our carbohydrates and elixers. We were joined by Santa (Bill) Clause as per the season. Much enthusiasm did ensue in keeping with the season. Many topics were discussed and events reminisced over. Having our hungers appeased and thirsts quenched; we each bade farewell to each other and went home. It was another good Christmas party that I really enjoyed and the pictures should be good.

Respectfully submitted by
Mike, the Bike....

President's Note

Well in November I didn't put in much of a note and should have wished everyone well for the holidays.

Happy New Year to you all. Now that it's 2001 we're all in the same century again!

Some people were wondering where the November cover photo was taken as we didn't remember to put that in the description of it. The fellows with the bikes and archery equipment were in Wesley Park which was the sports field for the United College which has since become the University of Winnipeg.

February is election time. I encourage anyone interested in the various positions to come out, and let us know.

Dues are now \$25 and our fee for printing and advertisement twelve times a year is still \$30. I thank everyone for their support.

Member Bert B. turns 92 this month. Happy Birthday to you Bert!

I have just finished a film and have

Jim H.

Editors Note

The picture on the front cover was given to me by Jim last month, but There wasn't enough room to put it in the Oct. newsletter, so here it si now. Jim tells me that it comes from our club archives. It appeared in Winnipeg Free Press June 13th, 1949. The archers are; (left to right) Ed Buchannan, T. Dickson, F. Challoner, and W. Donn. The riders are; (left to right) Stan Worthington/Manx Norton, Huby Poole/Ariel, Dick Keenan/Triumph T-100, and S. Lamb/Harley Davidson. They were members of the Winnipeg Rough Riders Motorcycle Club. This is one of the many photographs donated to us by Mrs. N.G. Griffiths of Winnipeg.

Just a quick note to let everyone know that the reason your newsletter is late is due to computer problems. The problem is straightened out now and you should be receiving another newsletter in just a few days.

If anyone has any information on runs or events that are coming up this year, bring them to our next meeting and I'll put them in the newsletter.

Amazing Birthday Boy

I mentioned in the "Davenport 2000" report (Nov. issue) that "everybody asked about Bert". I am continually amazed at the number of people in this hobby that call Bert "friend". I suppose this is the benefit of years. This "amazement" however was surpassed during the final night of the AMCA Davenport meet.

It was Saturday night, banquet night, the culmination of 3 long hot days of antique motorcycle mayhem.

Siggi, myself and friend Frank Tucker from Calgary (Indian, Henderson, Super X kind of guy) had just

finished a fantastic dinner buffet (maybe a beer or two also) and were feeling quite mellow.

As always, there are speeches by the executive members, amusing anecdotes and kudos to the organizers and support staff. The guest speaker was Mark Mederski, Executive Director of the AMCA Museum in Pickerington, Ohio. The museum had just recently being completed and he spoke at length of its conception to completion. It was really quite interesting and garnered attention from the exhausted crowd.....then the slide show started.

The slides were great, but as with all slide shows, there is a definite tranquilizing effect. The room became noticeably quieter. I glanced across the table and observed Siggi had journeyed to Indian Dreamland. Next to me, the always-loquacious Frank was unsettlingly quiet. I was tempted to check for a pulse, I had never seen him this way. I decided to enjoy the experience.

I turned my attention back to the slides. Great shots of the newly completed period displays, marvelous old bikes and a recreated board track complete with "teens and twenties racers. Next slide was introduced as the "Hall of Fame". Very nicely done with an elaborate archway, plaques and dedications to the organizations and individuals that have made important contributions to the hobby. I scanned over ensuing pictures and close-ups of this the most holiest of motorcycle shrines. Next slide was shot dead on (arch at center) and my eyes were immediately drawn to back wall. I didn't believe it!

On the back wall there were two pictures flanked by a sea of plaques and honorarium. The picture on the left was unmistakably the smiling mug of our own Bert Bentley!

Ross M. corroborated my sighting at the Christmas get together at Boston Pizza. He had obtained the photo and sent it to the AMCA at their request. It wasn't slide overdose induced hallucinations after all. Congratulations Bert for being put on permanent display at the AMCA Museum!

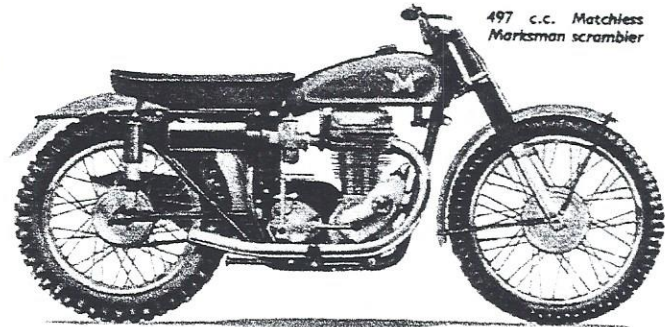

Also, Happy birthday (92) from all of us!!

P.S. The picture hanging in the hall of fame is the one on the cover of this issue.
