President's Message

It is with sadness that we learned of Bert Bentley's passing away on November 21. I thank Ross Metcalfe for giving me the honour of reading the eulogy he had prepared on behalf of the club. I thank all of our members present and past who were able to attend the service. Bert would have been pleased to see that a number of the members rode their motorcycles to the church.

We the club membership extend our condolences to Bert's wife Alma, and family. Some club members were not informed of Bert's funeral in time to attend it. As president I offer my most sincere apologies. The oversight was not intentional.

On the subject of the club elections, I will cease to be president in the new year. I congratulate Jerry Stubbington on his achievement of position of president of our club. I thank all of the people who are taking club positions for the following year.

Jerry must be very honoured to be president as he looked absolutely speechless when it was announced he had the position.

Under our constitution I now become past president for the coming year. In this position I will be pleased to assist with club operations as required.

It was great to see Dave Pritchard and Michael Daoust of the CVMG as guests at our November meeting. Dave has invited us to his place for the CVMG December meeting. I hope to attend.

**SEASONS GREETINGS, MERRY CHRISTMAS,
HAPPY NEW YEAR, TO ALL !!!**

It is time again to renew your membership, the fee is still \$25. To avoid any future mix-ups with the next club roster, please be sure to fill out the membership application form and submit it at the time of renewal.

There won't be a newsletter in January, so don't forget the January meeting is the movie night at Ross Metcalfe's.

For the members who haven't heard yet, the results of the election, the club has a new President, Jerry Stubbington made the mistake of letting his name stand for the position just as the train was about to leave the station. The other positions remain unchanged for 2002. Welcome aboard Jerry and thanks to Jim Harrison for leading us for the last few years.

THE CLASSIC MotorCycle

It's not fair! Smith was the first in long trousers and now he gets chosen to sit in the saddle for a photo. Fresh-faced, scabby-kneed schoolgirls and boys from Carnforth County School gather round a new D1 Bantam during their visit to the BSA works in 1951, and dream of the day that they can save up £80 4s 8d to buy their own.

The minutes of the November meeting were unavailable at the time of preparing this newsletter. Watch for them in the next edition of Rust'N Pieces in February.
