## **MINUTES OF THE MARCH MEETING**

Approximately 24 people attended the meeting, which was a very good turn out, but sadly our "El Presidente" had to work. His chairmanly control over our rowdy group was sorely missed until we found a solution – a stand in Jim was used to bring us to a semblance of order!!!

The attendee's included some three new faces to our group, who with very little resistance, were persuaded to join. There were also two other new members who Jerry managed to recreate but were not able to attend.

A big welcome to all of you and heres hoping you will find the Club and its members a great place to invest some of your time.

Many of the members paid their annual fee, thank you, and for those who didn't, please remember to bring the princely sum with you next time.

"The Rally was the main item on the agenda with discussion regarding the price for wives or partners etc who wanted to come out for the day only but who would like to eat. It was agreed that a \$15.00 per head fee would be charged for these as long as they booked in advance. The importance of having firm numbers established as early as possible was stressed. Members were asked to volunteer for any role that they would like to run or help organize together with any ideas to make this event a success. The alternative to volunteering is a press gang and the hope is there is the support to avoid to good arm twisting session!!! All suggestions will be greatly appreciated.

Richard G. brought in some golf shirts and jackets for consideration. The proposal included stitched logos instead of screen-printing. Samples were viewed by all and whilst the style was appreciated it was thought that the lines should be pursued after the rally. Rally shirts would remain as Tee shirts.

Air show participation was briefly discussed. Security issues seemed to be the biggest concern.

Jim to confer further with the C.M.M.G.

Ed issued a financial statement, which shows balance of just over \$1000 so we have maintained our bank balance over the year with a slight improvement.

Lastly I would like to thank our President for welcoming me to the executive. His idea of jumping is a little different to mine but I guess that could be put down to a cultural difference  
!!!!!!!!!!!!

Any further business as discussed at the second club house and not recorded.!!

## Editors Note

My apologies for being so late with the newsletter. This mailing includes an abbreviated issue of last months and this months.

Marvin Cooper called me the other night and asked me to inform the membership that he will not be able to hold the run to Pinawa this summer as he has become too busy. Marv said we could be back on for next year though.

I had heard that Bert Bently was in Hospital. I spoke to him this past week (he is home), and he told me that he was just in overnight for some tests. His doctor has him trying out some new medication. Bert told me that he is feeling better, although we may not see him for the next couple of meetings. Here's to a speedy recovery Bert.

Another one of our young members is planning a rather long trip to the North. I hope that Bill will keep an interesting journal that we can borrow from.

## MINUTES OF THE APRIL MEETING

14 members attended the April meeting and a guest almost joined us for the evening, but, even though he turned up with a 47 Triumph (I think that's what he said - memory being what it is these days !!!), we couldn't entice him inside.

Jim H. brought the gathering to order and distributed the following event info:

- MLA run for safety - May 17

- Country auction for Tin Lizzie & list of summer events

- Entry forms for the CVMG event at the Tin Lizzie on May 6

- Air show entry forms for June 8 & 9

Ed Reported that as of March we had 25 fully paid up members in the club. We take this opportunity to remind the remaining members that the princely sum of \$25.00 is all we require from them for one years entertainment – and worth every penny – so please make the effort and renew – thank you.

Terry & Dorothy Neustater invited all Members to a Sunday afternoon ride (trail bikes provided) around his cabin trails on May 27. Meet at 1.00 p.m. at the soft ice cream stand on hwy 2 at Treherne for guide into cabin. Bbq buns & hot dogs provided.

Marv Cooper proposed his second annual gathering at his Pinawa home on August 18 & 19, Several people may take up his camping option this year!!!

And so to the Rally:

An inventory of equipment & signage that was available was taken to see what could be used

- Signs were to be checked out for content etc.

- Club banner was available – Richard

- Steel posts & bases were at Siggys. He would drop off at Jerry's for pickup

- Greg had well pump for loan together with a hot water tank

- Greg also having awards made – almost ready

- Entry fees received to date were handed over to Ed.

A reminder that the Press Gang would be looking for volunteer for various help in June to help prepare for the weekend you've all been waiting for.

Lastly, if anyone is interested in acquiring a Sears Puch – mostly there- yours for the picking up – phone Stan 668 – 2979

By this time caffeine withdrawal symptoms were in evidence so the meeting was adjourned to a nearby alternate facility

Enjoy the new season

John T.
