Minutes of the June Meeting

After a lengthy gossip around the car park, entry to the clubhouse was made with the now familiar fanfare of bells and curses to welcome us in !!!!!!!!!

The meeting was brought to order by our leader with 19 members in attendance.

Jim opened the mail and handed out a request from the "Car Show .ca" for reports on the clubs show for their web site. 3 guesses who gets to write the in depth report.

Reports were requested from our various managers but none had anything to report.

The treasurer reported that our funds were down to \$550 due to rally expenditure but it was recognized that sales of Tee shirts and the collection of unpaid entry fees would help to reduce the deficit.

(Footnote: Other expenses not paid would be the balance of the food bill and the cost of delivering the picnic tables.)

Discussion then turned to the Rally and any outstanding issues.

It was confirmed that all was well with the preparations and all that was required was a good turn out & good weather.

Under any other business it was reported that Burt was now out of hospital but not yet his able self.

All present sent their best wishes for a speedy recovery. His presence at the meetings has been sorely missed.

John & Pat confirmed the date for corn roast as the 22nd September. This year being the 25th anniversary of this event at their home so a good turnout would be appreciated to celebrate this momentous occasion.

Our leader confirmed that it was also the 75th anniversary of the MM. and maybe they would like to have a joint celebration.

With no other business (that was safe to) report on, we adjourned for coffee.

John T.

P.S. There are still some T-shirts left over from our classic bike rally, anyone interested in picking one up for only \$20 can contact John T. in august and he will bring it to the meeting.

Editors Note

A short newsletter this month as we are into our riding season. Our meeting this month may not have too many members present as there are a few members that are Alberta bound, yours truly included.

Next month we will try to have a bit of a report on our rally. If any members would like to put down a few thoughts on the rally, i.e. anything that might have be improved on or something we might try different in the future, send them to me for the newsletter and we could stimulate some discussion at a future meeting.

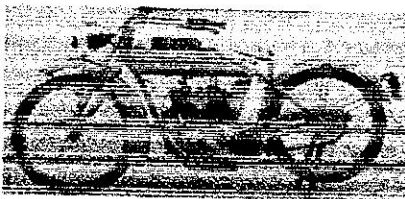

Hope everyone is having a great summer and we will see you in August.
