Lorraine's Guzzi Tale

OK, I know all of you are wondering what the heck this is about? Some will know that I liked my Silver Wing but because I'm vertically challenged it made reaching the ground not great. Late last fall at John T.'s I was complaining that I needed to have a different bike especially after dropping the Wing (usually in front of motorcycle shops) The V3 guys asked me if I had ever considered a Guzzi? The guys said we could easily lower it and it wasn't top heavy either! Well, I found a 75 Guzzi in SK, a deal was made, then we had to go get it even though all we had to go by was the picture that sent to me. Well a bike show in SK was the first time I saw it and all I could think about was "What the hell have I done!" I know my buddy Faye was thinking the same thing! Keith kept telling me "You have to imagine Lorraine" I spent many a day cleaning rust off and sanding the appropriate parts still thinking the same thought, over and over. All I wanted was a bike for me! Not something that a lot of other riders had, something with fenders, a good size tank, not too much to ask for, right! Well, to make a long story short Jerry helped with a new paint job the V3 donated their time, talent and some spare bits to help get the bike ready for our AB trip. I still have some things to do to but I really like **MY Guzzi** and I wanted to say a heartfelt "Thanks, V3 for everything!"

### **President's Note**

Bert has been back in the hospital. Siggie and I took him a card and showed him the rally photo album. I haven't had a chance to show him the video yet. By the way, thanks to Eletha Thompson for her great photography!

#### **Corn Roast**

Saturday, September 22nd has been set as the date for John and Pat Choquette's annual club corn roast. Meet at **Tim Hortons**, Wilkes and Waverly. We will meet at noon and plan to leave for the Choquette's place in East Selkirk at one o'clock.

At the meeting Steve Bahr was asked to let the Manitoba Motorcycle Club know they are invited to our corn roast. The MMC originally formed in 1911 as the Winnipeg Motorcycle Club and so this is their 90th anniversary this year.

One last thing, our community club contact should we have a problem getting into the building, including fun with the alarm, is Abby Weber at 831-8305 or 888-7158.

See you at the meeting.

## **Minutes, July 31, 2001**

Librarian Mike was waiting astride his 450 Ducati when I arrived at the club house. He had been rained on, on route. The rain actually enhanced the patina that the Ducati has developed over the years. Mike's Ducati won the "Concours de Grot" at our rally. I wonder if he'll try for a second win next year?

Treasurer Ed reported we have \$1233.00 in our account. The rally expenses were \$2820.00 but we are within about \$50.00 of breaking even. Once we sell the remaining tee shirts the event should be in the black.

Ross Metcalfe was present and suggested we have our twenty-fifth anniversary as the theme for our 2002 rally.

Also concerning our rally, Bert Bently has retrieved his trophy from the Tin Lizzie museum, and wants it presented at our annual rallies. The club would keep possession of the trophy and an engraved record of the winners would be put on the trophy.

It was reported that although the Tin Lizzie is no longer a tenant at St. Francis, the people who now own the property will continue to run a motor museum in the existing building. The owners, Bob and Rob Rose have made some changes to their operations one of which is that they aren't charging exhibitors for their display space.

More news about museums is that a transportation museum is being planned for the area out by Assiniboia Downs. It will apparently have a railway link and a runway. It will be interesting to see what develops.

Ross Metcalfe has offered to again host our January meeting at his place. We had a great time last year. Because we will have too much fun to ruin the evening with business I recommend we have our club elections in November.

The meeting over some of us then concluded the evening at a nearby doughnut shop. (Homer S. would have been proud).
