### Editors Note

Well, late **again!** I read in the minutes where it was suggested that I email the newsletter to Richard G., a nice thought but I spoke to Richard after the last meeting and I explained to him the following: the file size of the newsletter is anywhere from 10 to 20 megabytes, which is a very large file to email. Secondly, if the recipient of the email does not have the same software program in their computer, they wouldn't be able to open the file to print it.

I now have a new printer and with any luck the next issue will be on time. Any contributions or articles would be appreciated.

I will set a deadline for the 15th of the month for submissions to the newsletter so that it can be completed on time.

Keith F.

ps

for anyone not attending the Sept. meeting, a roster will be in the mail shortly.

## **Minutes of the August Meeting**

Arriving at the club house we were greeted with a good turn out of older machinery to peruse prior to getting down to business.

A guest appearance by Attila Koppanyi on his very neat and tidy Jupiter outfit caused quite a stir in the crowd. Most of us were not sure what it was at first but the beautiful little chair was the talking point all night. Thank you Attila for educating those of us ignorant of the flair Eastern European design.

Having pried ourselves away from the bikes we eventually got settled into our normal semblance of order. With eleven members and one guest present the meeting began under the ever-watchful eye of our President

With no newsletter for the previous meeting Jim brought us up to date with a precis of the previous meeting.

Richard G. offered to ease the burden of our editor if printing was the problem, as Keith was encountering further glitches with his equipment – doesn't the computer remind you of a modern motorcycle – no manual overrides, – but I digress, back to the problem, if Keith was to e – mail the letter to Richard, the letter would be dealt with by him. Richard's e-mail is [rgibbings@northwest.ca](mailto:rgibbings@northwest.ca)

This led into the need for an updated roster. With more members on line now it was agreed that the list should include this information. In the absence of any volunteers I stupidly agreed to create the new roster so if the membership slips could be brought to the next meeting I'll endeavor to peck away at the keyboard. If members could send me their email addresses I will incorporate it. For those of you who do not know my e – mail address is [albion@mb.sympatico.ca](mailto:albion@mb.sympatico.ca)

(For an antique club this set of minutes is developing a very hi tech theme so enoughs enough, back to the bike stuff.)

Ross had let Jim know that Burt had moved to a smaller place in the Portsmouth retirement home. His health would probably prevent him attending the corn roast so a new venue was selected for the meeting place which would enable those riding to motor past Burt's new abode and bring a smile to our favourite member.

The venue selected will be Tim Hortons at Waverley & Wilks with a meet time of noon on the 22<sup>nd</sup> September & Departure at 1.00 p.m., punctuality being our strong point!!!!!!!!!!

An invite to hold our January meeting at Ross Metcalfe's home was greeted with an overwhelming yes as everyone had so much fun there last year. Thank you Ross in anticipation of another fun evening. Hospitality is always appreciated.

In light of the above & the December meeting also being a social event, it was agreed that the November meeting would be for Executive Business. In light of this I would hope that as many members as possible could attend as the voting for your executive is normally such a cut throat event that we would not want any dissention after would we!!!!???

An equipment list was handed to our property manager & the elusive club pins made an appearance.

These & the much sought after collectors items in the shape of rally T shirts will be on sale at the corn roast.

**Minutes of the August Meeting**  
**(continued)**

Ed gave an update of our financial standing.  
The club has currently 30 members of which 2  
are lifetime honorary.

Our bank balance stands at \$1338.00 and the  
news that our rally broke even raised a rousing  
cheer from all present.

As a final item brought to the table by yours truly,  
V3 reported that on their meandering to different  
rallies this summer we had the good fortune to  
run into (not literally we might hasten to add) the  
president of the CVMG on his epic ride around  
Western Canada.

In discussion with Eric the question of sharing  
our (currently nonexistent) roster with the CVMG  
came up.

It was decided to let this item be discussed with  
more of the membership present to voice their  
opinions.

For those of you not around at the meeting after  
meeting him at Ponoka and again at Biggar, V3  
provided an escort through to Winnipeg and an  
overnight stop at the hotel Stubbington.

As sores have now developed on 2 of my fingers  
this is the end of the secretary's report for now.
