Editors Note

Ok, so I said in the last newsletter that there won't be a Jan. issue. I thought I should put one out this month anyway to include the minutes from our November meeting, remind everyone about the get together at Ross's, and to say to everyone that **it's time to renew your membership once again.**

The club has grown over the last few years and we seem to be moving in the right direction. The Rally last year was a great success and plans are under way for our second annual rally. Anyone interested in getting involved could contact John Thompson.

Last year there were a few omissions from the roster, to try to avoid a repeat of this, **please fill out the membership application form** on the back of the newsletter or get one from the treasurer at a future meeting.

Minutes of the November 2001 Meeting

After the extended riding period that we were graced with this year, it was unfortunate that this meeting was timed with the eventual onslaught of winter so no-one braved the meeting with 2 wheels.

20 members were present together with 2 guests, Dave Pritchard and Mike Doust (apologies Mike if spelling is wrong) from the CVMG

Jim H opened the meeting with a wish to speed things along, as his caffeine levels needed replenishing.

As Secretary I reported on Bert's funeral which was well attended by representatives and bikes of the club. Jim H thanked Ross for the address he delivered at the service on Ross's behalf.

Ross reported that Bert's trophy was back from the funeral.

Ross proposed the club make donations to Bert's charities, which was unanimously agreed.

Treasurer Ed reported that we had just over \$1300 in the bank. Income and expenditure for the year were \$3778.70 and \$3474.07 respectively giving an increase in the year of \$305.63 to our operating fund.

Ed reiterated that the rally showed a slight profit.

Membership now stood at 26 ordinary and 4 honorary.

Librarian Mike had nothing to report

Property man Richard confirmed he had the list and was going to add some odds and ends to the inventory.

Editor Keith reported that there was about \$85 to spend to finish the newsletter this year.

Then, the moment everyone had been waiting for arrived – "The Elections"

Five of the incumbents namely Richard, Keith, Mike, Ed and yours truly were caught like deer in headlights and thus frozen in position accepted another year in our relative positions.

The presidential race was a different story. This was much like the lion hunting the wildebeest. I'll explain!!! The herd of wildebeest is quietly grazing on the plain near their favorite watering hole. The lioness comes onto the scene looking for the family supper. A target is selected. The lioness moves in.

A chase ensues. The kill is made. The rest of the herd return to grazing knowing the danger has passed.

So it came to pass that Jerry Stubbington was duly elected to the club's highest station!!!!

(Jim H offered thanks to Jim R for playing the role of lioness!!!!!!!!!!!!)

Moving along to other business (before reality set in or escape could be planned), two events were tabled for the New Year

Winnipeg Motorcycle Expo was raised by Terry N. There was room for the club to exhibit Pre'70 machines if anyone was interested - contact Terry. Event is on 1st – 3rd Feb 2002.

Keystone CVMG advised of their upcoming opening show at Lower Fort Gary on 5th. May. Any assistance in running the event would be appreciated by them.

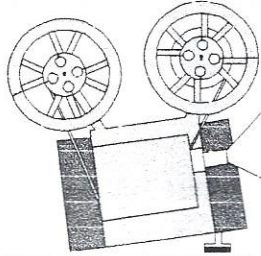

At this meeting and (as an addendum to) at a subsequent meeting of the CVMG, to which we were invited, cooperation between the clubs at their respective events to the mutual benefit of

Nov Minutes continued

both clubs was tabled. Both clubs agreed to look at forging closer ties.

Finally we **will** be holding the 2nd annual **AMCM rally** on the July long weekend so keep **28th June – 1st July** clear on your calendar for another rip roaring (or puttering) weekend.

Here's wishing you all a very happy New Year.
Safe riding,
John T.

Ted Hector's Vacation Photos

Ted took these pictures in the summer of 2001. He followed the route south of the Trans Canada as he finds it a better route to meet people on and it goes through more interesting scenery.

Photo # 1 The C.W. Stevens store is in Fort Macleod, Alberta.

(Front Cover)

Photo # 2 This is a picture of the Yak Hotel, located in Yak B.C. The fellow who owns it pretty much owns Yak. He is a colourful gent who has been known to shoot holes in the bar ceiling. The interior of the hotel is apparently very rustic and is decorated with interesting artifacts.

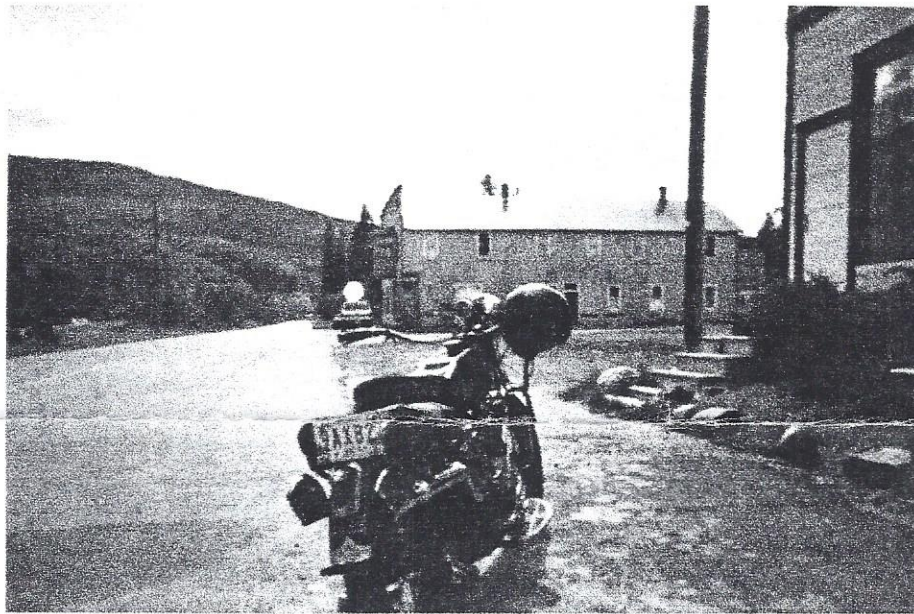

Photo # 3 The line-up at Richmond for the ferry to Vancouver Island.
