## **Minutes of the June Meeting**

A beautiful evening for a ride resulted in 16 of the members and guests turn up on a variety of machines that kept us in the parking lot rather than promptly attending the meeting.

Eventually everyone assembled and the meeting got under way.

24 members were present together with the following guests:

Rob from Lorette riding a '78 Kawasaki, Murray from Manitou on a '78 Honda and Paul on a '66 Ducati.

Our President opened the meeting with the official gavel (that had not been seen in a while) and quickly moved on to requesting reports from the other officers present.

Treasurer Ed reported that our bank balance stood at \$3350.00 Whilst this was a very healthy sum, it was due to revenues collected for the rally and there were many expenses yet to cover before the balance would be realistic to report.

Having reported that our membership was the same as last time, 2 of the guests joined which should now bring us to a hefty tally of 40, (I think as in the excitement, I forgot to write the number down – I just do not know how you all put up with such sloppy secretarial work from yours truly !!!!!!!)

Our trusty Librarian reported that our library was still intact and again reminded members that books were available for their use.

Editor Keith had no new news but was hoping that articles were going to flood in from members on their summer riding escapades or whatever.

Our property manager was unfortunately absent so no further news on jackets was available at this time.

As secretary, yours truly had nothing new to report on general club business so went into long boring dissertations on the upcoming rally instead.

It would turn out that the number registered would be around 50 people with all preparations well in hand. A sample of the awards was passed around for all to covet in an effort to get even more to attend in the hope of taking one of these highly desirable home with them.

For all those who did not attend a great time was had by all. The weather was too hot and the mosquitoes were thick, but hey, we are a hardy bunch - we had FUN !!!!!

Photos and report next time

Lastly our Pres reminded all that Vee 3 would be absent for the next meeting as we were on our rally travels- (should be a peaceful meeting - who will Greg be able to pick on??!!!!!!)

The meeting closed with a rush to clubhouse 3 – coffee time  
See you in August

## Editor's Note

My apologies for being very late with the newsletter, this month just didn't have enough days.

Our rally has come and gone, and I think that in spite of the heat and mosquitoes, (and there were lots of both) those who attended enjoyed themselves.

I have thrown in a few pictures from the rally and I wanted to mention that there is one in particular that some members may be interested in, that is the one of John not starting Jim's AJS. Anyone who took a crack at starting it at the corn roast last year will remember that John was the only one who was able to kick any life into the beast. Nice to see that John is human after all.
