Minutes of the August Meeting

Yours truly had to arrive on 4 wheels due to excusesexcuses . Have since made the necessary penitence to one track.

Still 3 Guzzis made it as Steve Toth managed his first meeting since joining - a change of shift made everything possible.

There was a fair representation from other makes including Kawasaki, Triumph, Suzuki and Honda.

Meeting was brought to order with 14 members present.

It was reported that 2 members had suffered recent losses in their families. Our condolences go out to Richard and Atilla and their respective families

With many members away riding, autojumbling, or just stuck due to breakdown (we felt for you Keith) there were fewer reports to note.

Ed reported our membership was up to 41 and had \$1700 in the bank.

The rally looks like it broke even so all was good on that front.

With Richard away there was no news on the Jacket front.

As secretary there was nothing to report on official business but update on the whereabouts of various members.

Ed raised the question of should the club join the NAACC (sorry if the initials are wrong but I left my notes at work) This organisation is working on lobbying the authorities on such things as insurance, mooted age related restrictions etc. For a minimal fee we can become a part of the lobby group. It definitely appeared to be a worth while investment for us as a group but it was up to the membership as a whole to decide & vote next meeting.

With all the business done everyone made a bee line to the coffee

Editor's Note

Another season of riding is winding down for most of us, some of us had it end a little early. Another Corn Roast has come and gone, thanks again to Pat and John for hosting another one. Greg came up with another new game for the event (front cover) to test the daring and skill of anyone who was willing to put on a blind fold and let the force be their guide, good one Greg.

I would like to thank the members who have offered to lend assistance with my ailing BMW. I am going to make it a winter project.

You will notice in the minutes that some of the members are quite proud of their Italian rides. It sounded to me like a bit of a challenge to riders of other makes to respond by trying to out number them at our monthly meetings, well guys are we going to let this go unnoticed.

Some thing we need to think about as this year winds down is are we doing anything special for our 25th Anniversary? Anyone with any suggestions?

One final thing I must add is that in the last newsletter I had some photos of the Trev Deely Museum, well I was reminded that I forgot to give Faye Burton a photo credit. I apologize for my oversight. I should also inform the membership that Faye is currently recovering in hospital after major surgery. Speedy recovery Faye and we will look forward to seeing the Triumph next summer.

Keith F.
