May Meeting—Con't

MAY-JUNE 2005

please email Jim at arielleader@moderndigital.net

David P is helping Jim with the rep David who (after much arm twisting) has volunteered to be in charge of Graphics & layout. We look forward to the results

40 hats had been ordered so those requiring replacements should hurry as they go really fast.

Mike the book brought in a selection of books from the library for people to peruse or borrow.

Under any other business, David P confirmed he had spoken to the Castrol rep for a talk to the club. The is busy during the summer but would make a date in the fall to enlighten us on the wonders & mysteries surrounding oil.

Ross M. gave us an update on how the Thunder Road Race team were doing in prepping an Indian Scout for an attempt on the record for this class of bike which stands at something like 75 mph. For those who would like to see more (&listen) to their progress, visit www.metcalfe-motorcycles.com

With everyone getting thirsty a rush to Sals for coffee meant the meeting was over.

Treasurer: Richard Gibbons

Confirmed MAAC dues paid & incorporation papers have been completed & submitted. Bank balance stood at a healthy \$2600.00 slightly up from this time last year. 27 members had paid this years dues & Richard would be more than happy to receive the remaining unpaid fees

Rally Report: John Thompson

Rally became the usual topic with CVMG confirming they will run the events. The run will this year be broken into 2 so that the smaller or older machines will not be expected to stay with the newer or larger toys. A chase vehicle will also be available to ensure any unfortunate enough to loose forward motion will be collected & returned safely to the site for some TLC.

Editor: Jim Harrison Our tireless Editor confirmed a favorable response to the emailed version of this tome. Any other member who would prefer to receive it this way should send their (e mail!) address to Jim H for inclusion. Jim was going to get assistance in future from

*"To catch the

Minutes of the June Meeting

A fine night (at last!!) saw 11 bikes make their mark on the parking lot. Highlight of the gathering was 2 riders simultaneously actually believing Bill's instruction to back up. Neither actually checked that the way rearward was actually clear. Nothing serious resulted & I can attest that it didn't take long to straighten my number, (sorry license) plate!!!

One of the sparsest turnouts of recent past with 17 members present

President Jim R welcomed the gathered throng & advised on the rally preparation status.

The CBC had attempted to contact him regarding the Public Utilities Board & their proposed changes to the M/C insurance liability responsibility, i.e. if the other vehicle involved is at fault then that vehicle insurance will bear some of the repair cost. Unfortunately (or fortunately for the CBC who have never yet experienced our shy, quiet unopinionated president!!!!!!!!!!!!) they were still playing telephone tag.

Secs report consisted on the rally status. 50 registrations were needed to break even & although actual registrations were slow to date; many had indicated their intention to come. Confirmed that food, toilets, tent, T shirts & trophies were all scheduled for pick up or delivery.

Treasurers report confirmed we had broken the \$3000 mark for a bank balance, albeit fleetingly as he was then inundated with requests for cheques, most of them being legitimate!

Richard had the new batch of club hats ready: \$10 at the rally, \$15 thereafter. Place your order now please to avoid the rush or disappointment.

Mike the book confirmed that the life as our librarian was as usual unstressed.

This was more than could be said for our press ganged Editor who had to make excuses for not being able to produce the (long overdue) newsletter due to technical malfunctions.

Apparently, his faithful (Commodore!?) computer was behaving in a most uncooperative manor, (read *@!#%D). Hopefully, confirmed if you are now reading this, Jim has managed to find a solution to this minor glitch in his life!!!

As an aside, just letting the avid readership of the minutes know, Jim, Jerry, David & yours truly will not be at the next meet as a rally date will take precedence. Arrangements will be made for someone to unlock.

That's it for June, John T

Editors Notes

Ed Wiebe, one of our long time members passed away on July 26th. He was seventy-six. He enjoyed riding his '38 Indian Chief and his '77 Suzuki "Water Buffalo". We extend our condolences to Ed's family.

My thanks to Dave Pritchard for taking on the web site and producing an e-mail version of Rust 'N Pieces for May and June. Thanks to John Thompson for printing it. I am combining it with the July-August hard copy to those who don't get e-mail.
