## Minutes of AMCM Meeting April 24, 2007

In attendance: 23 members including three new members

The President called the meeting to order at 7:55 p.m. This was not an easy task as attention was focused on the buffet table, heavily laden with complimentary snacks and beverages.

The President opened the meeting with a sarcastic thank-you to Ross Metcalfe for encouraging attendance at the Antique Show on May 4. Those attending felt that some miscommunication must have occurred. Mr. Metcalfe's AMCM membership will be reviewed later; disciplinary measures were not ruled out.

The membership was reminded that the Breast Cancer Pledge Ride is on June 10. Attendance and participation were strongly encouraged as our Club has a long history of supporting this cause.

Another event of interest will be the CVMG Cross-Canada Run. It was estimated by an astute geographically-talented member (without the use of a GPS device) that the arrival date of the tour would be July 22. The President can be contacted for more precise information as the ETA nears.

Treasurer Klann noted that the bank balance is now \$3,079.74. The Treasurer wondered why the amount needs to be this large when there are no plans in place for reducing it. The Secretary has a plan, secret but clever, for the dispersal of all of the remaining funds. This plan will be revealed at an Executive-only in camera meeting to be held at "The Leather Ranch" on a date the Secretary will arrange.

The Treasurer concluded his portion of the meeting by reminding the group of the immediate deadline for membership dues. His steely gaze fixed on no one in particular when he tantalized the assembled with the revelation that two well-known, near legendary members were in arrears! Enough said.

Dave Pritchard, Publisher, with just pride, announced that the Club Roster will be available next month. The membership nodded their approval for this news as this will surely fill a gap in the summer must-read list.

Librarian Mike Baraschuk reported that the literature collection continues to expand. Members are encouraged to work with him and keep this valuable resource an important part of Club activity.

Tom Hessom announced that the AJS/Matchless Club of America has over 2,000 members. He then provided a connection between that statistic and our Club by informing the group that John Thompson was now a Director of the AJS/Matchless Club. Thunderous applause followed, to which an emotional John Thompson was unable to respond.

Ross Metcalfe told the meeting that club promotion booths are available at the Minnesota Rally. He will attend and represent the AMCM interests.

The President, to a question, stated that the Rally-07 official colours would definitely be yellow and black, if not another colour combination, depending on availability and spiritual inspiration.

The President then brought out the topic of erection difficulties. He beseeched the other members to give him a hand, reminding everyone that in the past many hands had made the job of getting it up much easier. Perhaps free beer would help, he mused. Everyone was assured, however, that the tent would be in place and fully functionally by Thursday evening in plenty of time for the Rally on Friday.

The suggestion was put forth that Club meetings continue to be held at the more opulent Harley-Davidson site until October, at which time returning to the chummier Woodhaven clubhouse is likely since the rent is paid there.

The President adjourned the meeting. Some members lingered to dispose of the remaining hospitality graciously provided by the host.

## Minutes of the AMCM Meeting May 29, 2007

In attendance: 23 members

The Secretary arrived late, without excuse, and has no knowledge of anything taking place at the meeting before he arrived. The President disciplined the Secretary with sarcasm but stopped short of removing him from office. Like the President, the Secretary had won his office by a landslide majority and removing him would not be a popular move at this time.

The President continued the meeting on a serious, nearly ominous, note when he railed on the topic of late dues. With more than a hint on menace in his voice, he spelled out the penalties for this offence and none of them sounded pleasant.

Published Dave Pritchard levelled the mood a bit with word that the Newsletter was forthcoming. Club membership forms have been sent to local motorcycle dealers as part of the ongoing campaign to recruit new members. Again, it was pointed out that it is not necessary to own an older bike to qualify for membership. Just having seen one, even in an old movie, is enough tribute for membership in the AMCM.

Treasurer Klann, acknowledging with gratitude the cheque from Harley-Davidson, reported a new all-time record bank balance of \$3,199.98. An anonymous cynic sneered that the Treasurer need not fret; a lot of the hard-saved coins would be dropped on Rally '07 if history is any guide. The President snarled and launched forth into the now-familiar aria beginning "This is our Rally....." Those who didn't know the words by now hummed along.

Librarian Baraschuk announced that the stock of books has increased yet again. So replete is the collection, he noted, that it may be possible to include books as prizes in the 50/50 draw. This departure from form drew audible gasps from some of the traditionalists. The idea, now in the open, will be cautiously explored.

The President then attempted to recruit volunteers to cut grass for Rally '07. The mention of grass caused a usually-inattentive member to lurch upright and blurt "Grass?...At the Rally?... Right on!" When corrected, the member grinned sheepishly and mumbled "I knew that."

On the topic of Rally '07, the President firmly put an end to the rumour that all the meals to be served at the event will be variations of curry. This false impression may have come about from mention of lamb at a previous meeting but that was clarified as being a religious reference, not a menu item. The full menu and its nutritional values are forthcoming. The Canada Food Guide main Food Groups - Salt, Sugar and Fat - will be well represented.

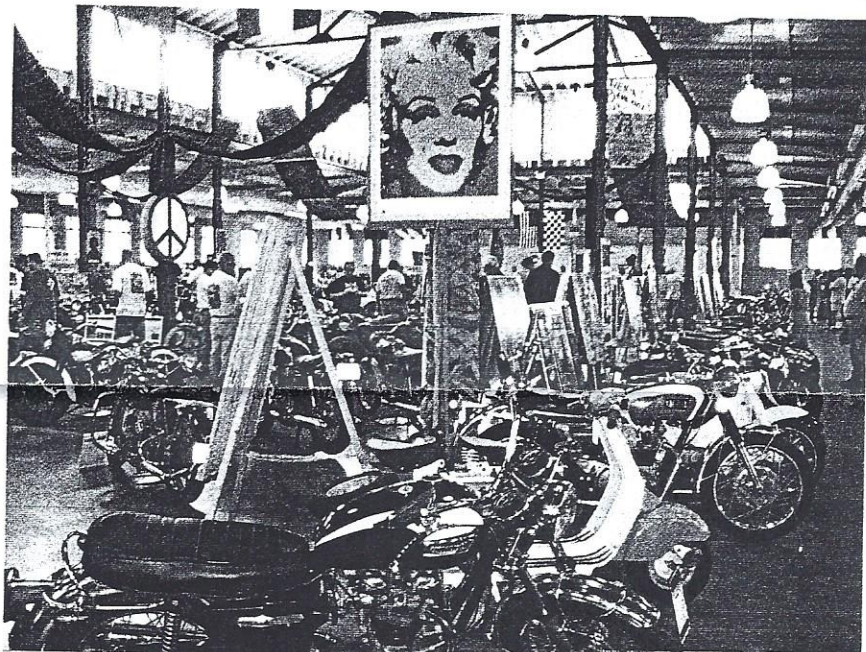

The meeting was adjourned at 8:20 p.m.

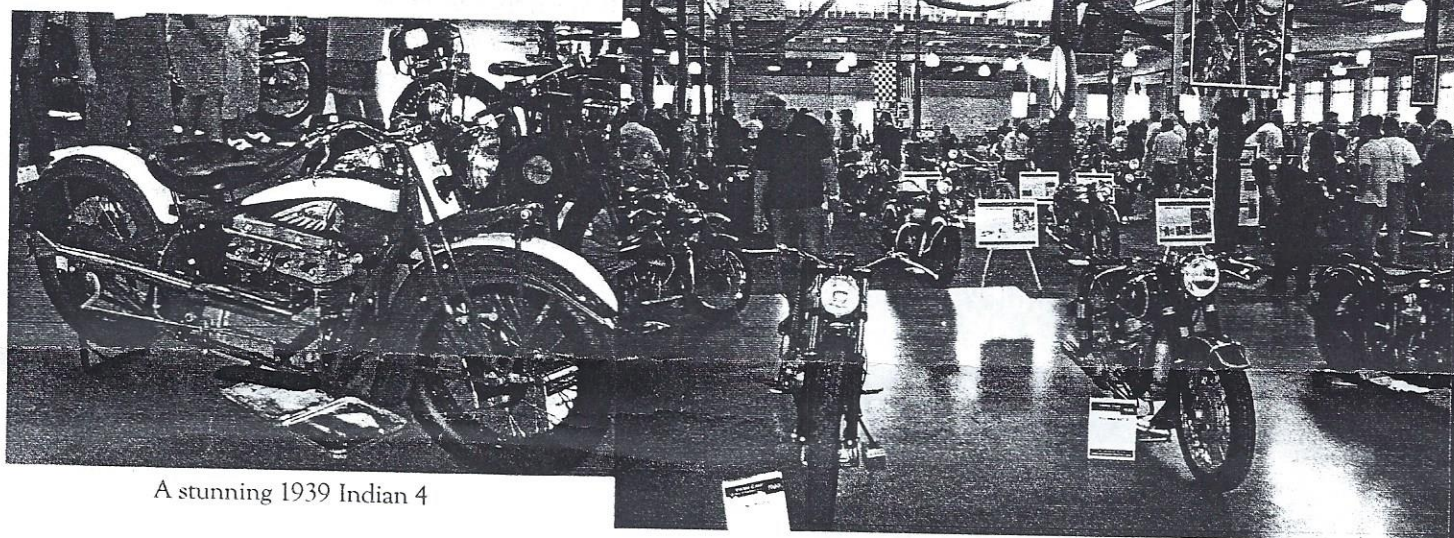

## ANTIQUÉ MOTORCYCLE CLUB OF MANITOBA Inc.

VIKING CHAPTER - ANTIQUE MOTORCYCLE CLUB OF AMERICA June 15-17, 2007

The meet held at the Minnesota State Fair Grounds, St Paul, MN was a perfect place for the display of over 100 motorcycles. The swap meet also kept some of us busy walking around in the heat which hit 97 F. The main pavilion, a restored 100 year old area had lots of natural light for the display. Ross Metcalfe, his better half, John Thompson and David Pritchard attended. Every vendor kept asking "Where is Siggy"?

A stunning 1939 Indian 4
