## **President's Note**

What a nice fall we're having! Not only was the weather lovely for our corn roast, but it is staying nice even as I write this. Speaking of the Corn Roast, we had over 40 people show up. We set up an informal play area with some planks to ride over and a slalom course. Various people took a shot at trying their riding skills. This wasn't a competition but allowed people to take as many turns as they wanted to, sort of a "Game-o-matic" (without the coin slot!) Aside from this, everyone had a good visit enjoying the sunshine and admiring the motorcycles.

The food was as always, very good! Thanks to John and Pat for all the trouble they go to, to do this event.

This year, those of us who were still present in the evening enjoyed one of John's large bonfires, while John Daigle and Dave Hebert traded guitars back and forth and took turns serenading everyone. A fun ending to a great day.

Brian Nazarko not only attended the event but brought a hand assembled clock as a donation to the club. Thank you, Brian! We will be coming up with some sort of contest or raffle or something to award this as a prize (Trophy?) to someone.

Once again, my thanks to John and Pat Choquette and our various guests for making our Corn Roast such an enjoyable day. My sympathies to those who missed it, I hope you can make the next one.

Bye for now!

Jim H.

## CORN ROAST 1997

On Saturday, September 13, the Club held it's Corn Roast on a beautifully sunny day. Over 25 bikes showed up as it was an open event. The trailering of my Matchless was for nought, as the thing would not go. No spark, dead magneto. The thing is apart for repairs. We had a slalom race and some riding the plank. Most everyone enjoyed the camaraderie and good weather. The food we all dug into when it was ready. After dark, John started the bon-fire and with 2 guitars, 2 singers and about 6 others in the audience, we who stayed, enjoyed the music and songs. I left with non-running machine around 10 p.m. leaving the musicians to play into the night. A day to be remembered a long time., as it was a good time.

### **Editors Note**

The Corn Roast was great, the weather fantastic. We had a minor mishap on the way out, when three bikes bumped. Fortunately, no injuries or damage reported. I see MPIC is again asking for more of our money. I am looking into the Manitoba Assoc of Auto Clubs (MAAC), perhaps we need to join and add our voices to the attacks on the motoring hobbies. This is a newly formed group of Manitoba clubs. I will report on this at the next meeting.

PS: Marv bought the German Triumph- Great to see it in the club!

Left, Mike B. bulldozes the planks with the Choquettes' wide wheeled Yamaha. Mike claimed he couldn't get his ( skinny tired ) Matchless to start. Why balance on those boards when you can bury them, right Mike!

Lower left, Mark Perry circles the obstacles as his trusty TRW chuufs away at zero revs. I actually had to disguise myself as a pylon to get this photo.

Minutes of AMCM meeting of Sept. 30, 1997.

Seven members and two guests arrived on a sunny evening for our meeting. Jim absent tonight so Mike and Ed co-chaired the meeting, in a semi-formal fashion.

Ed brought all the T-shirts to the meeting. If anyone wants more T-shirts we will have to see about getting an order together.

Ed mentioned the Manitoba Association of Auto Clubs. He thinks a meeting with their Representative and possibly joining, as a club, to help us be informed regarding insurance, the environment, by-laws, and such. Further info to follow as this progresses.

Regarding our decision as to whether a Swap Meet and Show for '98 are to be held, not decided, yet. Ed will check into costs again for the posters and Comm. Club. We may have a Swap Meet only, instead of repeating both events.

Mike suggested a run out to "The Tin Lizzie" Car Barn in St. Francois Xavier for a pre-winter get together. If it snows or is icy, don't ride out. We can still visit the Museum, etc. as it does contain three bikes anyway. Be there or Be Square.

Bookworm is requesting photos for the club photo album of this year's events. Remembering it was an important year for us, and he did see some cameras floating around at these events. Give them to Mike and he will deal with them.

Another idea regarding Photos. Local pics for a Calender. That's only a dozen or so. Preferably old ones. Give to Mike, please.
