

Bison Rally 2023 Recap

Thank you to everyone that volunteered their time to help make this years Bison Rally a huge success! Thank you as well to those who donated a prize for the silent auction. Our attendance numbers were way up from last year. We will try and rebook the site for next year hoping to build on our success for the 2024 rally!

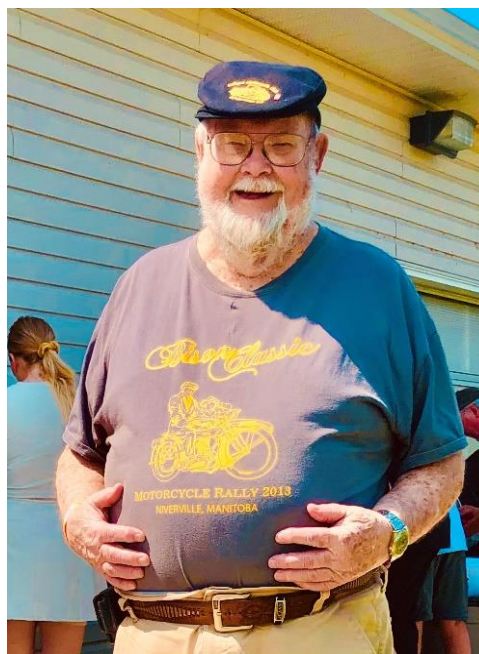

The show'n'shine on Saturday was great!
We raised \$1,275.00 for Spina Bifida
Manitoba from the lunch and silent auction
ticket sales. Thanks to everyone for making
the marquee brand stand out ensuring the
Year of the Kawasaki was one to remember.

The Chilli on Friday night,
Saturday breakfast, fund
raising lunch, outstanding
banquet, Sunday breakfast
and clean up of the leftovers
was more than expected.

Huge thanks to Chef Travis
for all the planning,
preparation, and delicious
food! We were all well fed
and taken care of.

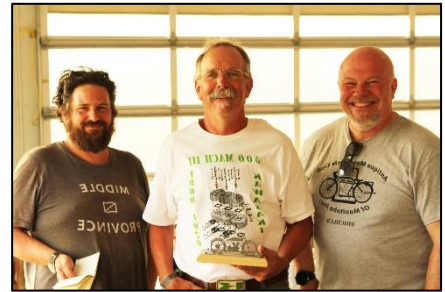

Chas has been designing and creating our very special custom-made trophies for our Bison Rally for as long as I have been a member of the Club.

This year he finally got to take one home.

Congratulations Chas on winning the President's Choice Award and winner of the Bert Bentley Trophy!

Congratulations to all the winners that took home a trophy from this year's Bison Rally!

Thanks again for all the volunteers that made our rally one to remember.

Hope to see you all again next year.

The featured marquee brand for 2024 will include a band of misfit orphaned Brits that seemed to get missed. If you own a Matchless, AJS, or Velocette Motorcycle, now is the time shine them up and get ready to ride into the sunlight at next year's Bison Rally July 5th – 7th 2024!

Ken Charleton - Bison Rally Chairperson
